RE:	**APPLICATION OF THE CONNECTICUT LIGHT AND POWER COMPANY d/b/a EVERSOURCE ENERGY TO AMEND ITS RATE SCHEDULES**	**:**	**DOCKET NO. 26-05-10**
		:	**AUGUST 31, 2026**

THE OFFICE OF CONSUMER COUNSEL'S ELEVENTH SET OF INTERROGATORIES

The Office of Consumer Counsel ("OCC") hereby requests responses from the Connecticut Light and Power Company d/b/a Eversource Energy to the following interrogatories in the above-captioned proceeding by **September 14, 2026**. If there are objections to any questions, or if providing responses to certain questions would be unduly burdensome, please contact the undersigned counsel as soon as possible.

I. INSTRUCTIONS

The responses to these interrogatories and production requests must be submitted in the following manner:

A. Documents provided shall be complete and, unless privileged, unredacted, submitted as found in the responding party's files (e.g., documents that in their original condition were stapled, clipped or otherwise fastened together or maintained in separate file folders shall be produced in such form). The responding party may submit photocopies (with color photocopies where necessary to accurately reproduce the document), in lieu of original documents, provided that such copies are true, correct and complete copies of the original documents.

B. Documents submitted shall be produced in the order in which they appear in the responding party's files and shall not be shuffled or otherwise rearranged. Mark each page with identification and consecutive document control numbers.

C. Data must be produced in the data format in which it is typically used and maintained. Moreover, to the extent a responsive document has been electronically scanned (for any purpose), that document must be produced in a readable and accessible electronic format, with the opportunity provided to review the original document.

D. Provide English translations of all responsive documents that exist in a language other than English.

E. Documents to be produced include all documents in the possession, custody or control of the responding party, wherever located, including documents in the possession, custody or

control of the responding party's directors, officers, employees, representatives or agents. Without limitation on the term "control," a document is deemed to be in a responding party's control if it has the right to secure that document or a copy thereof from another person.

CLAIMS OF PRIVILEGE

If you contend that any answer to any interrogatory or any document demanded by these interrogatories is privileged in whole or in part, file with your response to these Interrogatories a statement in writing and under oath and in such statement: (1) identify each such interrogatory answer or document; (2) state its general subject matter; and (3) state in detail the basis for each claim of privilege made with respect to it. If a claim of privilege is made to only a part of a document, then in addition to the statement required herein, produce a public copy of such document from which the alleged privileged portion has been redacted, noting where in the document such redactions have been made.

SCOPE

If subsequent to your initial compliance with these interrogatories and production request you discover additional or new material or information responsive to any interrogatory or request for production, or you discover that any response you provide herein was totally or partially incorrect or, though correction was made, is no longer true, you must promptly (a) file any additional responsive documents that come into your possession, custody or control or (b) file supplemented, corrected, and sworn responses. You are specifically directed to supplement, modify or correct your responses to each of these interrogatories and production throughout until a final decision in adopted by the Authority in this Docket.

II. INTERROGATORIES

Interrogatories OCC-487 through OCC-518 are directed to the Connecticut Light & Power Company d/b/a Eversource Energy ("Eversource", "CL&P", or "Company"):

Interrogatories OCC-487 through OCC-505 refer to Exhibit CLP-DEPRECIATION-3.

OCC-487. Please provide all property data utilized in CL&P's 2025 Depreciation Study (Exhibit CLP-DEPRECIATION-3) and the direct testimony of Mr. Allis, including, but not limited to, additions, retirements, transfers, sales, adjustments, cost of removal, and salvage data. Please provide this data by account, placement, and experience year since the date of inception. This data should allow for the reconstruction of the analysis and calculations performed as part of the depreciation study. Please provide this information in Excel format with formulae intact where applicable.

OCC-488. Please provide all survivors for each account as of the study date.

OCC-489. Please include all transaction codes and a description of each transaction code.

OCC-490. Please also provide a description of any production unit / group / location codes if applicable.

OCC-491. Please provide a description or legend for each account number.

OCC-492. Please provide all workpapers, schedules, tables, and exhibits used in the depreciation study or relied upon in conducting the depreciation study in Excel format with formulae intact where applicable.

OCC-493. Please provide all final observed life tables generated for each account in Excel format.

OCC-494. Please provide all remaining life calculations in Excel format.

OCC-495. Please provide the book reserve (accumulated depreciation) balances for each account as of the depreciation study date.

OCC-496. Please provide the theoretical reserve (aka "calculated accumulated depreciation") amounts for each account based on the parameters proposed in the depreciation study and support for such calculations. Please confirm the total amount of the difference between the theoretical reserve balance and actual book reserve balance.

OCC-497. Please identify and describe any changes in the depreciation system / methodology between the previous depreciation study and the depreciation study filed in this case.

OCC-498. Please provide a schedule showing the currently-approved and proposed survivor curves, net salvage rates, and depreciation rates, and depreciation accrual for each account.

OCC-499. Please identify all plant tours taken in relation to the depreciation study. For each such tour:

a. Identify those in attendance and their titles and job descriptions.

b. Provide all conversation notes taken during the tour.

c. Provide all photographs and images taken during the tour.

d. Provide all written materials obtained during the tour.

OCC-500. Please specifically identify and describe any information obtained from any plant tour, field trip, or discussion with Company personnel, that would indicate that the average service lives of any life span or mass property would be shorter or longer than what is indicated by the retirement rate described by the Company's plant data.

OCC-501. Please provide all external sources relied upon in conducting the depreciation study, including industry surveys, statistics, and reports.

OCC-502. Please identify and provide copies of Company programs and plans that might substantially affect the remaining lives of any plant assets.

OCC-503. Regarding the placement and experience bands chosen for the analysis of each account, please explain why such bands were chosen and if any other bands were considered for conducting depreciation analysis.

OCC-504. Please state whether the recorded vintage years of retirement have been modified in the historical data used to conduct the depreciation study. If so, please specifically identify such modifications by account, and provide all justification and support for the same.

OCC-505. Please state whether any historical retirement data has been adjusted or excluded from net salvage value calculations and analysis, and if so, please provide all details and support.

OCC-506. Please provide all exhibits, schedules, and workpapers utilized and/or filed by Ms. Bulkley in this case in Excel format.

OCC-507. Please provide all source documents relied upon and/or cited by Ms. Bulkley in this case.

OCC-508. Please provide a list of all proceedings in which Ms. Bulkley has filed testimony.

OCC-509. Please provide a list of all proceedings in which the authorized return on equity recommended by Ms. Bulkley was adopted by the regulatory commission in that proceeding.

OCC-510. Please provide the most current reports from the major rating agencies for Eversource Energy ("Eversource") and CL&P.

OCC-511. Please provide a copy of all reports prepared by security analysts that describe Eversource for the period 2024 to present.

OCC-512. Please provide a copy of any presentations of Eversource and CL&P given to security analysts and rating agencies from 2024 to present.

OCC-513. Please provide a list of each equity issuance by Eversource during the past five years, including the number of shares issued, the offered price per share, the net proceeds per share, and the total flotation cost for each issuance.

OCC-514. Please provide CL&P's forecasted growth rates for the following factors over the longest period available, and provide the source for such forecasts, as well as the time period for such forecasts, and the source of the information:

a. Total load
b. Total customers
c. Total revenue

d. Net income
e. Rate base

OCC-515. Please provide CL&P's annual figures for the following items over the past 10 years and the source of such information:

a. Total load
b. Total customers
c. Total revenue
d. Operating income
e. Net income
f. Rate base

OCC-516. Please provide the following financial information for the Company for the most recent annual reporting period:

a. Earnings before interest and taxes
b. Interest expense
c. Amount of book debt capital
d. Amount of book equity capital
e. Cost of debt

OCC-517. Please provide Eversource's year-end capital structure ratios over the past five years.

OCC-518. Please confirm the source of CL&P's equity on its balance sheet.

Respectfully submitted,
