2L720080	BURLINGTON - NEPAUG RD / RPLC PRIMA	5/11/2018	2/1/2018	AROH2L	OH PLANNED OBS ANNUAL TORR	$ 147,061

Technical Justification

Project Need Statement

It is necessary to perform this work to make repairs, remove/replace obsolete equipment, or perform work at the request of another utility or municipality.

Project Objectives

Repair, replace, or remove obsolete units of property that are on the system.

Project Scope

Repair, replace, or remove obsolete facilities that are on the system. This could contain the following: defective pole replacements, reinforcements, splice replacements, and other repairs. This also includes performing work at the request of another utility or municipality such as: work required for cable tv (CATV), assuming custody or abandoning interest in joint poles, or pole replacements for additional height. This is not used for reconductoring or other work to correct reliability problems.

Major Material

- Transformers
