Date Filed: October 18, 2026

Witness: FALLON, MATTHEW P
Request from: Public Utilities Regulatory Authority

Question:

(Fees) Provide justification for why CL&P, as initial servicer, is compensated at 0.05%, while a successor servicer may receive up to 0.60%. Identify any benchmarking analysis, RFPs, or third-party servicing quotes supporting these values.

Response:

Please refer to the Company's responses to EOE-008 and RRU-010.
