Subject: Get Help Toward Your Winter Heating Bills
Preheader: See if you qualify for assistance

Ver información en español sobre Programa de Asistencia Energética de Connecticut (CEAP, por sus siglas en inglés).

Dear Eversource Customer,

You may be eligible to receive money from the Connecticut Energy Assistance Program (CEAP) to help pay your heating bill.

What is CEAP?
CEAP helps thousands of income-eligible Connecticut homeowners and renters manage their winter heating bills by providing payment directly to Eversource towards a portion of their gas or electric heating bill. CEAP offers up to $645 to help cover your winter heating costs. The actual amount you receive depends on your household income or state benefit(s) you may receive.

Do I Qualify for CEAP?
Based on information we have regarding your household income or receipt of public assistance benefits, you may be eligible for the program.

How do I apply for CEAP?
Apply for CEAP online at CT.gov/heatinghelp or through your local Community Action Agency (CAA). Find your local CAA at 211ct.org or call 211. You will need a copy of your most recent gas or electric bill.

Applications for CEAP are accepted through May 29, 2026. Don't miss out on this opportunity to lower your winter heating expenses.

For more information about other assistance programs available, please see our Programs to Help fact sheet or visit eversource.com/billhelp.

Sincerely,
Eversource Customer Service
