Date Filed: June 30, 2026

Witness: Traynor, Daniel M, Cain, Jessica B
Request from: Connecticut Office of Consumer Counsel

Question:

Please provide an unlocked Excel spreadsheet showing from June 2025 to the present: the number of customers who would have been eligible to re-enroll on MPP if there were no stay out period; the number of months for each customer between completing MPP and having an eligible balance to re-enroll were there no stay out period; and the ultimate disposition of each account (e.g, entered FPA, paid balance in full, terminated, etc...). No customer identifying information is required/requested and customers may be numbered.

Response:

Please see Attachment 1 for the requested information.
