F2511087	Hybrid Bucket Truck Receptacles	Torrington - Hybrid Bucket Truck Receptacles With the arrival of new Hybrid Bucket Trucks, installation of eighteen (18) 20 amp -120 volt receptacles - 2 receptacles per parking space. Each parking space will accommodate for the truck block heater and lift battery charger. Included as part of this project is the installation of a new 100/3 panel, update of both the arc flash rating and the one-line diagram. This will complete the entire loading dock parking spaces to include two (2) receptacles per space.	Employee Expenses-EE0	108030	0.05

80435171	RC PAD 1091 INSTALL NEW UG TEMP SER	We would like to create an annual to replace the batteries at Wells 38 when we go to perform the major maintenance next year. The batteries are marine 12v batteries. Last time replaced was in 2018. And we have corrosion and leakage at the terminals. Approx. $300 each. We would require 6 of them. I have attached the quote here for your review as well. This would be planned distribution. We would require 16 man hours and the price of the batteries. Batteries will be replaced with similar units. $6,385.00	Employee Expenses-EE0	107010	1
