6.4 **Diversity Questions**										
6.4.1 Diversity Status	Non Diverse	Non Diverse	Non Diverse	Non Diverse	Diverse	Non Diverse	Non Diverse	Non Diverse	Non Diverse	
6.4.2 Business Classification - **Please select all that apply.**					MBE (Minority Business Enterprise)					
6.4.3 If not Diverse as answered above, please advise, what is the minimum percent of the value of the agreement your company agrees to subcontract to Diverse Vendors? Additional information of diversity requirements can be found in the Schedule 47 document attached to this question. These terms and conditions are in addition to the general terms and conditions of this RFP. Eversource is collecting all direct Tier II Diverse Subcontractor spend through the UniTier Platform. If awarded, please work with your agent to facilitate your registration. Please download all attachments, see Reference Documents. References		0% We typically do not subcontract any elevator work but are open to a discussion	100% We are a WSOB, [redacted] is majority owner of the company. However, we have not yet received our formal WSOB certification from the state of CT yet.		0%	0% MBE Certification	10%	0%	0%	0%

6.4.4 Please identify Name & Contact Information (email) for the individual who will be responsible for reporting to our Corporate Supplier Diversity team under performance of this contract.	TBD if awarded	[redacted]	[redacted]	[redacted]	[redacted]			
6.4.5 **Small Business**								
6.4.5.1 Is your company a small business that has a certification from a third party organization or has self certified on Sam.gov?	No	Yes	No	Yes	No	Yes	No	No

6.5 **Supplier Sustainability Practices**

Supplier Sustainability is constantly evolving, and at Eversource we are always looking for new ways to engage our suppliers keeping in mind our commitment to Sustainability. Examples of this include our targets to reduce our greenhouse gas footprint and reach carbon neutrality in our operations by 2030.

Notice: The Sustainability information that is collected below will automatically update your Supplier Profile Questionnaire (SPQ) and will also be used as part of the bid-evaluation process.

6.5.1 **Sustainability Practices That Your Company Employs**								
6.5.1.1 Does your organization have programs or practices related to the following Sustainability areas?	Yes	Yes	Yes	No	Yes	No	Yes	No
Sustainable Waste Management Practices (Minimizing Waste Generation, Prioritizing Recycling/Reuse, Responsible Waste Disposal and Treatment) Water Conservation Measures Pollution Mitigation Initiatives (Land, Air, or Water) Greenhouse Gas (GHG) Emission Reduction Initiatives/Climate Initiatives Social Responsibility Programs (Diversity, Equity & Inclusion, Social Justice, Programs to Support Local Communities) Workforce Investment (Safety and Employee Development)								
6.5.1.2 Select the Sustainability practices that your company employs in day-to-day operations and describe in the comment section.	Sustainable Waste Management Practices (Minimizing Waste Generation, Prioritizing Recycling/Reuse, Responsible Waste Disposal and Treatment) Social Responsibility Programs (Diversity, Equity & Inclusion, Social Justice, Programs to Support Local Communities) Workforce Investment (Safety and Employee Development)	Sustainable Waste Management Practices (Minimizing Waste Generation, Prioritizing Recycling/Reuse, Responsible Waste Disposal and Treatment) Pollution Mitigation Initiatives (Land, Air, or Water) Workforce Investment (Safety and Employee Development)	Workforce Investment (Safety and Employee Development)	Sustainable Waste Management Practices (Minimizing Waste Generation, Prioritizing Recycling/Reuse, Responsible Waste Disposal and Treatment) Pollution Mitigation Initiatives (Land, Air, or Water) Greenhouse Gas (GHG) Emission Reduction Initiatives/Climate Initiatives Social Responsibility Programs (Diversity, Equity & Inclusion, Social Justice, Programs to Support Local Communities) Workforce Investment (Safety and Employee Development) Water Conservation Measures		Sustainable Waste Management Practices (Minimizing Waste Generation, Prioritizing Recycling/Reuse, Responsible Waste Disposal and Treatment) Water Conservation Measures Pollution Mitigation Initiatives (Land, Air, or Water) Greenhouse Gas (GHG) Emission Reduction Initiatives/Climate Initiatives Community Engagement (Programs to Support Local Communities) Workforce Investment (Safety and Employee Development)	
6.5.2 **Eversource Sustainability Opportunities**								
6.5.2.1 Do you have any sustainability opportunities available for this specific Eversource project? Examples: Sustainable Waste Management Practices (Minimizing Waste Generation, Prioritizing Recycling/Reuse, Responsible Waste Disposal and Treatment) Water Conservation Measures Pollution Mitigation Initiatives (Land, Air, or Water) Greenhouse Gas (GHG) Emission Reduction Initiatives/Climate Initiatives Social Responsibility Programs (Diversity, Equity & Inclusion, Social Justice, Programs to Support Local Communities) Workforce Investment (Safety and Employee Development)	Yes	Yes	No	No	Yes	No	No	No
6.5.2.2 Select the category of the sustainability opportunity available for this specific Eversource project	Sustainable Waste Management Practices (Minimizing Waste Generation, Prioritizing Recycling/Reuse, Responsible Waste Disposal and Treatment)	Sustainable Waste Management Practices (Minimizing Waste Generation, Prioritizing Recycling/Reuse, Responsible Waste Disposal and Treatment) Pollution Mitigation Initiatives (Land, Air, or Water) Workforce Investment (Safety and Employee Development)		Sustainable Waste Management Practices (Minimizing Waste Generation, Prioritizing Recycling/Reuse, Responsible Waste Disposal and Treatment) Water Conservation Measures Pollution Mitigation Initiatives (Land, Air, or Water) Greenhouse Gas (GHG) Emission Reduction Initiatives/Climate Initiatives Social Responsibility Programs (Diversity, Equity & Inclusion, Social Justice, Programs to Support Local Communities) Workforce Investment (Safety and Employee Development)				
6.5.2.3 Describe the sustainability opportunity available for this specific Eversource project	Minimize waste by saving parts that can be reused, recycling materials whenever possible, responsible waste disposal whenever possible ex. working with EPA on safe oil disposal	We sustainably recycle all hazardous waste, such as hydraulic oil. We mitigate plastic waste with reusable water bottles and water filling stations. We properly recycle all equipment and packaging. We will have monthly safety meetings. We will also have apprentices involved with work onsite to develop them into licensed mechanics.		Kone sustainability available for this specific Eversource project is outlined in attached document see attached				

6.6 **FAR Small Business Questions**

This question is applicable only if the work is to be performed under the US Government General Services Administration (GSA) Area Wide Agreement or site-specific work on a federal facility.

Please note: A contract cannot be awarded without this information, if applicable.

6.6.1 Please acknowledge that performance under Eversource contracts that are under the GSA Area Wide Agreement or site-specific work on a federal facility are subject to: FAR 52.219-8 Utilization of Small Business Concerns FAR 52.219-9 Small Business Subcontracting Plan Please answer "Yes" to assure compliance with the above FAR requirements. Copies of these requirements are attached for convenience. Please download all attachments, see Reference Documents. References	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
6.6.2 If applicable, please attach your Small Business Subcontracting Plan that complies with the requirements of Federal Acquisition Regulation (FAR) Clause 52.219.								
6.6.3 If applicable, please identify Name and Contact Information (email) for your Small Business Liaison Officer who will be responsible for reporting to the GSA under performance of this contract.					[redacted]. is a federal contractor that must comply with general FAR clauses that apply to the goods and services it provides to the U.S. government, such as elevator installation, maintenance, and repair.		N/A	
6.7 **Federal Requirements Questions**								
6.7.1 Has your company been or is currently debarred from contracting with the Unites States Government?	No	No	No	No	No	No	No	No
6.7.2 Please provide details on why your company was/is debarred from contracting with the United States Government.								
6.8 **Scrap Policy**								
6.8.1 Unless Owner expressly directs your company otherwise, Owner shall retain title to all Scrap;provided, however, that your company shall bear risk of loss for Scrap that Owner wishes to retain until your company delivers such Scrap to the point of storage designated by Owner. Unless otherwise expressly provided in any subsequent Agreement document, as least five (5) business days prior to the commencement of the Work, you shall notify Owner of any Scrap to be generated from the Work and request direction regarding the storage or disposal of such Scrap. **By selecting "Yes," you are indicating your agreement to the above policy.**	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
7 **GENERAL TERMS & CONDITIONS**								
7.1 **General Terms and Conditions**								
7.1.1 Please confirm that your company accepts without exception the "General Terms and Conditions" as presented in this request. Any exceptions to these requirements must be clearly stated as a redline word document and not a .pdf document, and does not constitute as immediate acceptance by Eversource. Exceptions should only be taken to those terms that are applicable to the work being performed and have significant meaning. Addition of words such as "reasonable" or "timely", or changes to the insurance, warranty, or indemnification clauses are strongly discouraged and may result in the bid response not being	Yes	Yes	Yes	Yes	[redacted]	Yes	Yes	Yes
7.1.2 If your company has previously negotiated Terms and Conditions with Eversource, please attach them here.	N/A	N/A	None	Adhere to terms and conditions with current contract on file with Eversource	No	We have an Existing service contract in place but unable;e to attach her. Contact us for a copy.	N/A	We do not.
7.2 Contractor is aware of and has reviewed all safety and health practices, programs or specifications which Contractor has agreed to use and abide by, including without limitation, the following: Eversource Contractor Safety Policy; All safety and health practices, programs or specifications set forth in the General Terms and Conditions or other contract documents;	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes

7.3 **Safety Policy Attachments 3, 4, 5**

As outlined in Section 7.1.5 of the Safety Policy:
Contractors who are seeking a contract with Eversource and who are not currently in ISNetworld may, at the discretion of Eversource, have their safety programs manually evaluated by the Eversource Safety Department using a questionnaire (see Attachment 3, Attachment 4, and Attachment 5).

Given the elevated safety requirements associated with elevator work, Eversource is requiring **ALL** bidders for this RFP to complete Attachments 3, 4, and 5 as part of the evaluation process.

7.3.1 **PLEASE FILL OUT ATTACHMENTS 3, 4, and 5 AND SUBMIT.** References	3 Phase Safety Policy, Att 3,4,5 & answers.pdf	EVERSOURCE SAFETY POLICY COMPLETED.pdf	6. Section 1: Executive Summary / Cover Letter : Please attach a cover letter that includes but not limited to the following:

• Official registered name (Corporate, D.B.A., Partnership, etc.).

• Addresses of all primary (and secondary) office locations and telephone numbers (Main and Emergency)

• Name, business address and telephone number of the Eversource account representative. This individual will serve at the primary point of contact Eversource Facilities and Substation personnel following contract award.

• A statement summarizing Contractor's overall understanding of the RFP, Scope of Work, and why Eversource should choose Contractor's solution(s).

DO NOT INCLUDE ANY PRICING RELATED DOCUMENTS OR COST VALUES IN YOUR RESPONSE TO THIS SECTION.

Section 2: Company Overview Please attach a company overview that includes but not limited to:

· Please provide an overview of your company including the number of years in business, typical annual sales, the number of employees, the number of certified mechanics, the territories or states you serve, and the location(s) of service hubs/offices that will support each of the Eversource elevator locations.

· Please provide an organizational chart that will include a list of all mechanics and their certification or training levels that will currently be available to service the contract should it be awarded. Please include any union affiliation(s) for each individual. Additionally, please indicate whether any of these individuals will be assigned to a specific service area.

· Please describe how you evaluate the training and experience of your "Qualified Employees" (OSHA definition) to determine the employed proficiency in elevator work practices.

· Please describe the full range of services your company offers, including by not limited to standard preventive maintenance or repair work, full elevator replacements, modernization, or system upgrades

· Please provide (3) references for contracts of comparable in both size and scope to the services outlined in this RFP. Each reference should include the client's name, brief description of the work performed, contract value, period of performance, and point of contact with current phone and/or email address.

DO NOT INCLUDE ANY PRICING RELATED TO DOCUMENTS OR COST VALUES IN YOUR RESPONSE TO THIS SECTION.

8.3 **Section 3: DELIVERABLES Please answer or address the follow specific questions:**

• In the event there is a work stoppage- such as a Union strike- please describe the contingency plan or alternative methods the Contractor will implement to ensure continuity of service.

• Please provide the average response times for elevator service callbacks, as well at typical duration of equipment downtime. This information will be used to reflect upon performance metrics and help demonstrate the Contractor's ability to deliver timely and efficient service.

• Please provide a description of methods and systems for contacting mechanics to assign trouble calls, both emergent and non-emergent.

• Please provide a sample of the scheduling method that will be used to manage quarterly maintenance and inspection activities, and any necessary repairs. Additionally, indicate whether an online portal is available to enable real-time customer oversight across all locations.

• Please provide a sample of the record-keeping format to be used to document the completion of maintenance activities (Check Chart).

• Please provide a sample of a quarterly summary report of activities, both recently completed and upcoming.

DO NOT INCLUDE ANY PRICING RELATED DOCUMENTS OR COST VALUES IN YOUR RESPONSE TO THIS SECTION.

10 **Services**								
10.1 It is Eversource's policy to achieve and maintain a high level of Contractor safety performance. Contractors working for Eversource shall have effective safety and environmental practices to protect both Eversource and Contractor personnel from workplace injury and illness, and to prevent losses associated with safety and environmental incidents. As part of our commitment to safety, Eversource has recently established a business relationship with ISN (www.isn.com) to further enhance our contractor management program. As a result of this action, contractors performing services for Eversource are required to become subscribers to ISNetworld. If your company is a current subscriber to ISNetworld, there is no additional fee; however, please ensure your company has completed the requirements specific to Eversource. If your company is new to ISNetworld, there is an annual fee for this service. Eversource believes the benefits to both parties will far exceed any associated costs. **For further details about ISNetworld, please contact the ISN Customer Service Team at (800) 976-1303 or visit their website at www.isn.com.** Company Profile Health, Safety and Environmental (HSE) Questionnaire HSE Programs Document Submittal: Insurance, OSHA Forms and Experience Modifier	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
Do you agree to maintain an ISNetworld subscription, as a condition of award? 10.2 In reference to your of choice agreement, does your Company understand the Eversource Contractor Background Check Policy and certify that it will have obtained identity verification, criminal background checks (federal, state and county checks for prior 7 years) and drug tests for all your company's resources that would potentially perform services at any Eversource customer locations or at any Eversource sites? 11 **Of Choice Services**								
11.1 As an Eversource Supplier of Choice, your proposal and any subsequent awarded work will be done in accordance with a Master Services/Cover Agreement, unless otherwise noted, which includes but is not limited to the following: All proposals are valid for a period of at least sixty (60) days from the close of the request. The goods and services contemplated in this Sourcing Event are only estimates of work, and are not guaranteed. Subsequent to your companies' submitted proposal, Eversource reserves the right to determine final contract prices via Ariba. All work shall be done in compliance with Eversource's Property Impact and Incidental Property Damage Procedure. It is the expectation your company shall work with Eversource's customers as described in the Property Impact and Incidental Property Damage Procedure. Any conflicts of interest have been disclosed and approved by Eversource On behalf of, and as a legal representative of my company, I am fully aware, understand, and certify that the company is compliant with the aforementioned information.
