Re: Docket No. 26-05-10 – Application of the Connecticut Light and Power Company d/b/a Eversource Energy to Amend Its Rate Schedules – Redacted Bulk Material

Dear Mr. Gaudiosi:

On behalf of the Connecticut Light and Power Company d/b/a Eversource Energy (the "Company"), enclosed for filing in the above-referenced proceeding are the Company's redacted versions of materials previously submitted as bulk confidential exhibits on October 19, 2026. Specifically, the Company is presenting redacted documents associated with Exhibit CLP-Additions-6 Second Supplemental, each broken down into subparts due to file size constraints.

Additionally, on September 17, 2026, the Public Utilities Regulatory Authority ("PURA") issued a revised Procedural Notice (the "Notice"). In the Notice, PURA directed The Connecticut Power and Light Company d/b/a Eversource Energy (the "Company') to file an index indicating the page number of each of the redactions for bulk filings (i.e., filings over 500 pages). In compliance with that directive, please find the index of redactions for Exhibit CLP-Additions-6 Second Supplemental enclosed for filing in the above-referenced proceeding.

Please note that the Company is filing these materials through PURA's web filing system under a category labeled "Supplement for New App," consistent with directions from PURA's Docket Control. Pursuant to PURA's Procedural Order Regarding Submission of Filings, dated July 10, 2026, the Company is required to coordinate with PURA's Docket Control staff and comply with any formatting or filing instructions for bulk materials that Docket Control staff may have, which the Company appreciates.

Please contact me if there are any questions with respect to this filing.

Very truly yours,

Sarah A. Pardee
