Please provide electronic copies of Exhibits ALR-1 through ALR-5, with formulae intact, associated with the Direct Testimony of Aaron L. Rothschild regarding The Connecticut Light and Power Company filed in this docket on October 21, 2026 ("EOE Testimony").

Response:

Please see the attached Excel document for Mr. Rothschild's workpapers. EOE-CLP-1, Attachment 1.

Please provide copies of the complete workpapers, supporting documents, electronic files, including all calculations and formulae intact, and electronic versions of any spreadsheets prepared by Mr. Rothschild to support his EOE Testimony, and Exhibits ALR-1 through ALR-5, included therewith.

Response:

Please see response to CLP-EOE-1 for Exhibits ALR-1 through ALR-5. Additional supporting documents are being provided to Docket Control. If any parties, intervenors, or participants would like immediate access to the additional supporting documents, which are voluminous, while they are being uploaded by Docket Control to PURA's web filing system, they may request immediate access to such documents by emailing Alexander.Sahi@ct.gov.

Please provide all workpapers, calculations, analyses and supporting schedules prepared or relied upon by Mr. Rothschild in developing his option-implied growth rates and beta estimates, as presented in his EOE Testimony. Provide in native electronic format, with all formulas, cell references and links intact. (a) As part of this response, provide all underlying raw data for the options contracts used in these analyses, including, for each contract, the underlying security, option type (call or put), strike price, expiration date, observation or trade date, underlying stock price, option price or premium, trading volume and open interest, and any other contract-specific inputs or market data used in the analyses, to the extent available or relied upon by Mr. Rothschild. (b) As part of this response, provide all calculations, models, assumptions, and intermediate steps used to process the underlying options data and derive the resulting option-implied growth rates and beta estimates, sufficient to reproduce the analyses and results.

Response:

Please see response to CLP-EOE-2.

Please provide all workpapers in native format, including all calculations and formulae intact, supporting all figures included in Mr. Rothschild's EOE Testimony.

Response:

Please see responses to CLP-EOE-1, CLP-EOE-2, and CLP-EOE-3.

Please provide complete copies of all cited works referenced in Mr. Rothschild's EOE Testimony and Exhibits ALR-1 through ALR-5.

Response:

Please see the attached documents. EOE-5 Attachment 1 through EOE-5 Attachment 31.

Please provide a copy or link to each of the five most recent direct testimonies and exhibits, outside of Docket No. 26-05-10, in which Mr. Rothschild testified regarding the topics of rate of return or cost of common equity.

Response:

Please see the attached documents. EOE-6 Att. 1 through EOE-6 Att. 6.
