Re: Docket No. 26-05-10 – Application of CL&P d/b/a Eversource Energy to Amend its Rate Schedules

Dear Attorneys Pace, Crisp, Bidra, and Pardee:

The Connecticut Light and Power Company d/b/a Eversource Energy (Company) filed Motion Nos. 10, 39, 52, 58, 60, 71, 76, and 79 (collectively, Motions) and supporting affidavits requesting that the Public Utilities Regulatory Authority (Authority) provide protective treatment of certain information in the Company's rate amendment application or interrogatory responses. The Motions seek protection of redacted information before the Company has publicly filed redacted versions of all of the documents for which it seeks protective treatment. For each of the Motions, as well as all future motions for protective treatment in this proceeding, the Authority directs the Company to notify the Authority, by filing a supplement to the applicable motion, when the Company has publicly filed all outstanding redacted versions of the documents associated with that motion.[1]

By the following commissioner,

Thomas H. Wiehl
Chairman
