MOTION OF THE OFFICE OF CONSUMER COUNSEL FOR NOTICE OF ADMITTED EVIDENCE

The Office of Consumer Counsel ("OCC") respectfully submits this Motion for Notice of Admitted Evidence to the Public Utilities Regulatory Authority ("Authority"). In Docket No. 26-04-06, OCC has posed interrogatories to the Connecticut Light and Power Company d/b/a Eversource Energy ("Eversource") regarding a cybersecurity incident. On June 12, 2026, Eversource filed Motion No. 4 in that docket, where it moved to stay OCC's discovery and clarify the scope of that proceeding, noting that Docket No. 26-04-06 was a "generic docket" unsuited for a specific investigation. To date, the Authority has not ruled on Motion No. 4 in Docket No. 26-04-06. Without a Motion ruling, Eversource has not replied to subsequent discovery, effectively curtailing OCC's ability to investigate the cybersecurity incident in that docket.

OCC respectfully requests that the Authority issue a Notice of Admitted Evidence moving Interrogatories OCC-1 through OCC-40 and their Responses from Docket No. 26-04-06 into the current proceeding.[1] This will permit OCC to continue its investigation of the cybersecurity incident in a contested proceeding specifically involving only Eversource (as opposed to a generic docket involving all utilities) and will allow all parties to gain a better understanding of Eversource's cybersecurity measures.

OCC thanks the Authority for its consideration.

[1] Since Eversource has not responded to subsequent interrogatories in Docket No. 26-04-06, OCC will reissue those interrogatories in this proceeding and the Authority need not include them in the Notice of Admitted Evidence. OCC will not issue any interrogatories under numbers OCC-1 through OCC-40 in this proceeding (it will begin its interrogatories at OCC-41) to reduce confusion regarding the numbering of the interrogatories moved from Docket No. 26-04-06.

Respectfully submitted,
STATE OF CONNECTICUT
