Dir Sir / Madam,
I watch these political ads' with Ned saying how he has saved us on our electric bills? This doesn't seem like yet another (pun intended) savings!

Just like when Ol'Ned Boy said he wouldn't raise our property taxes, could he have stopped the revaluation of all of our properties, I don't know but he being on camera (Snapshot) or even in a radio interview (soundbite) could have been against it at the very least no?

Steal it again folks, lol I worked the polls. I've seen firsthand how anyone can register with a mere (how funny is this)electric bill! "NO PHOTO ID REQUIRED."

Lets see, can't buy cigarettes without one
Lets see, can't buy alcohol without one
Lets see, can't get on a plane without one

Yet you folks in this state don't require one for our most sacred duty, to vote for our representative government?

Pathetic,
James (Jay) Elnicki
