MOTION FOR EXTENSION OF TIME BY THE CONNECTICUT LIGHT AND POWER COMPANY

The Connecticut Light and Power Company d/b/a Eversource Energy ("CL&P" or the "Company") respectfully requests that the Public Utilities Regulatory Authority ("PURA") grant an extension of time for the Company to submit responses to certain interrogatories issued by Allco Finance Limited ("ALLCO") on August 20, 2026 ("ALLCO Set 1"). Specifically, the Company seeks a 5 business-day extension of time for: ALLCO-001 through ALLCO-009; ALLCO-013; ALLCO-015; ALLCO-017; and ALLCO-018 (the "Outstanding ALLCO Set 1 Interrogatories"), thereby moving the response deadline from September 4, 2026 to September 14, 2026. The Company requests an extension of time for the Outstanding ALLCO Set 1 Interrogatories consistent with PURA's Notice of Proceeding issued on June 2, 2026 ("Notice"), which requires that any person requesting a procedural change or other PURA approval must file a motion. Notice at 2. Specifically, the Notice requires that motions for extension of time "shall be filed in advance of the prescribed deadline and should provide sufficient time for the Authority to consider timely objections and to rule on the motion." Id. The Company submits this Motion two business days in advance of the current due date for the Outstanding ALLCO Set 1 Interrogatories.

ALLCO Set 1 encompassed a total of 19 individual interrogatories with an initial due date of September 4, 2026. The 13 questions comprising the Outstanding ALLCO Set 1 Interrogatories

seek information directly pertaining to claims being adjudicated in ALLCO's Complaint filed against CL&P and PURA commissioners, among others, in the United States District Court for the District of Connecticut on August 10, 2026, which was docketed as Case No. 3:26-cv-01277. In addition, on August 31, 2026, in the federal court docket, ALLCO submitted Plaintiff's Motion for Leave to Commence Discovery on the Eversource Defendants Prior to the Rule 26(f) Conference, attaching ALLCO's first requests for production of documents as Exhibit A, many of which are the same or similar to the Outstanding ALLCO Set 1 Interrogatories.

CL&P requires a 5 business-day extension of time for the 13 Outstanding ALLCO Set 1 Interrogatories to coordinate with the Company's litigation counsel in the federal court lawsuit to determine the extent to which CL&P can respond to each of the Outstanding ALLCO Set 1 Interrogatories in this proceeding. The Company continues to work diligently and to use best efforts to produce responses to the other outstanding interrogatories in ALLCO Set 1 on a timely basis by the September 4, 2026, deadline. However, CL&P requires additional time in relation to the Outstanding ALLCO Set 1 Interrogatories to research and prepare responses and to coordinate across the various legal representatives involved in the coincident proceedings. CL&P will endeavor to file response to the Outstanding ALLCO Set 1 Interrogatories earlier than September 14, 2026, if possible. Lastly, no party in this docket will be prejudiced by the grant of the requested extension for these 13 interrogatories.

WHEREFORE, the Company respectfully requests PURA grant a 5 business-day extension of time for the Outstanding ALLCO Set 1 Interrogatories, thereby moving the response deadline to September 14, 2026.[1]

[1] September 7, 2026, is a state holiday.

Respectfully submitted,

THE CONNECTICUT LIGHT AND POWER COMPANY d/b/a EVERSOURCE ENERGY
