[i] RRU-013 Question:'

(AC-PROPERTY TAX) Application, Sch. C 3-37. Provide copies of the most current asset declarations made to each of the municipalities in the Company's service area.

RRU-013 Response:

Please refer to RRU-013, Attachment 1, for copies of the "most current asset declarations" made to each of the municipalities in the Company's service area pursuant to the 2025 Grand List (Fiscal Year 2027). Please note that Exhibit CLP-REVREQ-2-(Schedules A, B, C, D), excel file at tab WP C-3.37, provides a full listing of each of the municipalities in the Company's service area. Please note that the interrogatory asks for the most current asset declarations which relate to the 2025 declarations and therefore the property values for each municipality listed will not tie to the Company's cost of service, which utilizes the 2024 declarations as the basis prior to escalating to the Rate Year.
