Dear Sir/Madam:

It is astounding that Eversource is seeking a rate hike, and mind-boggling that our elected officials have not yet found a way to help its citizens REDUCE our rates. Connecticut has one of the highest energy rates in the country, and we are all struggling with exorbitant food prices, gas prices, and myriad other increases that impact our daily lives. I am putting my voice out there with a resounding NO to this hike. How anyone can approve this is beyond me.

Sincerely,
Joan DeLuca
