Pursuant to Section 12-130 of the Connecticut General Statutes, the collector shall include a statement of state aid to the municipality with the property tax bills. To comply with that law please be advised that the FY2026/2027 budget for the Town of North Stonington estimates $5,424,180 will be received from the State of Connecticut for various state financed programs. Without this assistance the FY2026/2027 property tax rate would be 23.29 mils. The state will reduce grants to your town if local spending increases by more than 2.5 per cent than the previous year.

The state will reduce grants to your town if local spending increases by more than 2.5 % from the previous fiscal year.
