1. Executive Summary

An approval of $499.6k is requested for the Capital Tools Purchase Program. This specific project covers the purchase of tools that meet the capitalization threshold of $500 or more per unit cost and exceeds the work order threshold. Therefore, we are requesting $499.6k under a specific project to purchase tools to outfit new bucket trucks.

See APS03 and APS08 requirements and consult with Plant Accounting for capital/O&M determination. Use published loaders for benefits, materials and invoices, maintained by the Director, Budget and Internal Reporting.

3. Technical Justification

Background, Project Need/Justification, and Project Scope

a. Background

Capital work orders will be requested throughout the year on an as-needed basis by the Division managers to support their daily operations. Upon receiving the details of the request, the analyst will create work orders linked to the respective funding project in each division. This project requires a specific project ID due to the dollar amount of tools being purchased.

b. Project Need

This project is needed to fund capital tool purchases.

c. Project Scope

Capital materials with a per unit cost of $500 or greater.
