Re: Docket No. 26-05-10 – Application of CL&P dba Eversource Energy to Amend its Rate Schedule

Dear Commissioners:

The Office of Consumer Counsel ("OCC") respectfully submits to the Public Utilities Regulatory Authority ("Authority") this comment on Motion No. 10, submitted by Eversource Energy ("Eversource") on July 15, 2026. In the Motion, Eversource requests confidentiality for certain material filed on July 14, 2026. It appears that the Motion might have inadvertently omitted requested protection for Exhibit CLP-ADDITIONS-12 REDACTED FOR RELEVANCE.pdf, which was filed as redacted in the public filing and OCC does not see a confidential version in the material received.

OCC notes that the Motion requests protected treatment for several items for which Eversource has not yet submitted the redacted, public filing. OCC reserves comment on those items until it can review the public filings to ensure only appropriate items were redacted.

OCC thanks the Authority for considering this comment.

Respectfully submitted,
STATE OF CONNECTICUT
