Dear people of CT,

I have inherited a home in Ct and wish very much to move there. However, our choice is not made up due to cost of living issues. It is so much more expensive, Food, Electric, Taxes etc, You guys even have a car Tax.

Where I live now we have taxes at least 30% lower.We have artesian well water clean and fresh. Everything from our Trash pick up to a sandwich at a deli is substantially less money.

Please think twice, Afew more hits and we stay put and forget about Ct.
