**Witness: Marc J. Richards and Gary A. Iadarola**
**Request from: Public Utilities Regulatory Authority**

**Question:**

(ENVIRONMENTAL REMEDIATION) Describe the circumstances that would lead to CL&P receiving proceeds from an insurance claim. Additionally, provide an unlocked Excel workbook showing the insurance proceeds received for each site and for each year from Jan. 1, 2017, to Dec. 31, 2025.

**Response:**

An insurance claim for environmental remediation could be filed under the Company All- Risk Property insurance policy. Recovery would be subject to the claim being related to insured property damaged from an insured event as defined under the policy. There have been no insurance proceeds received for these sites.
