STATE OF CONNECTICUT

PUBLIC UTILITIES REGULATORY AUTHORITY

APPLICATION OF YANKEE GAS SERVICES COMPANY d/b/a EVERSOURCE ENERGY TO AMEND ITS RATE SCHEDULES	:	**DOCKET NO. 26-05-10**

October 26, 2026

FIRST SET OF INTERROGATORIES FROM THE CONNECTICUT LIGHT AND POWER COMPANY D/B/A EVERSOURCE ENERGY TO THE PUBLIC UTILITIES REGULATORY AUTHORITY OFFICE OF EDUCATION, OUTREACH AND ENFORCEMENT

The Connecticut Light and Power Company d/b/a Eversource Energy ("CL&P" or the "Company") hereby requests responses from the Public Utilities Regulatory Authority Office of Education, Outreach and Enforcement ("EOE") to the following interrogatories in the above-captioned proceeding on or before **November 9, 2026**.[1]

Instructions for Interrogatories

The following instructions apply to this set of interrogatories and all subsequent interrogatories issued by the Companies in this proceeding.

1. Each request should be answered in writing on a separate page (paginated) with a recitation of the request, the identification number of the request, the docket number of the case, the date of the response, and the preparer of the response or the name of the person responsible for the answer. Please mark each page of an answer with the identification number of the request. In addition, please clearly reference any attachments to a response with the number of the request to which it applies and include page numbers on all attachments.

2. Please do not wait for all responses to be completed before supplying answers, but instead please provide the answers as they are completed.

3. These interrogatories shall be deemed continuing in nature so as to require further supplementation if the recipient, their staff or witnesses receive or generate additional

[1] Given the limited time period to produce rebuttal testimony, the Company respectfully requests EOE endeavor to provide its responses to these interrogatories seeking workpapers and source materials within seven (7) days, **November 2, 2026**, but acknowledges that in doing so EOE would not waive its right to provide its responses within up to two weeks under PURA's procedural rules for this docket.

information within the scope of those requests between the time of the original response and the close of the record in this proceeding.

4. The terms used interchangeably within these interrogatories relating to "any and all", "documentation", "support", and "justification" mean provide all data, assumptions, and calculations relied on. Provide the source of and basis for all data and assumptions employed. Include all studies, memos, reports and planning documents from which such data, estimates and assumptions were used. Provide and explain any and all supporting workpapers.

5. If the respondent believes that any of these interrogatories are ambiguous or need clarification, please contact counsel for the Companies so that the requests can be clarified prior to the preparation of a written response.

Interrogatories

CLP-EOE-01 Please provide electronic copies of Exhibits ALR-1 through ALR-5, with formulae intact, associated with the Direct Testimony of Aaron L. Rothschild regarding The Connecticut Light and Power Company filed in this docket on October 21, 2026 ("EOE Testimony").

CLP-EOE-02 Please provide copies of the complete workpapers, supporting documents, electronic files, including all calculations and formulae intact, and electronic versions of any spreadsheets prepared by Mr. Rothschild to support his EOE Testimony, and Exhibits ALR-1 through ALR-5, included therewith.

CLP-EOE-03 Please provide all workpapers, calculations, analyses and supporting schedules prepared or relied upon by Mr. Rothschild in developing his option-implied growth rates and beta estimates, as presented in his EOE Testimony. Provide in native electronic format, with all formulas, cell references and links intact.

(a) As part of this response, provide all underlying raw data for the options contracts used in these analyses, including, for each contract, the underlying security, option type (call or put), strike price, expiration date, observation or trade date, underlying stock price, option price or premium, trading volume and open interest, and any other contract-specific inputs or market data used in the analyses, to the extent available or relied upon by Mr. Rothschild.

(b) As part of this response, provide all calculations, models, assumptions, and intermediate steps used to process the underlying options data and derive the resulting option-implied growth rates and beta estimates, sufficient to reproduce the analyses and results.

CLP-EOE-04 Please provide all workpapers in native format, including all calculations and formulae intact, supporting all figures included in Mr. Rothschild's EOE Testimony.

CLP-EOE-05 Please provide complete copies of all cited works referenced in Mr. Rothschild's EOE Testimony and Exhibits ALR-1 through ALR-5.

CLP-EOE-06 Please provide a copy or link to each of the five most recent direct testimonies and exhibits, outside of Docket No. 26-05-10, in which Mr. Rothschild testified regarding the topics of rate of return or cost of common equity.
