Date Filed: September 21, 2026

Witness: Edward A. Davis and Kimberly R. Parsons
Request from: Public Utilities Regulatory Authority

Question:

(RATES) Application, Ex. CLP-Rates- 2.2., p.1. Provide an exhibit that shows the following:

a. For Rate Class 1 (Res. Non-Heating), a bill calculation under current and proposed rates that assumes monthly usage of 750 kwh.
b. For Rate Class 7 (Res. TOD) a bill calculation under current and pro-posed rates that assumes monthly usage of 750 kwh.
c. For Years 2022-2025 for Rate Classes 1 & 7, provide the annual aver-age monthly kwh usage and the highest month kwh average usage.

Response:

Please refer to RRU-042, Attachment 1, for the requested information. For part (c), the highest month kWh average usage between 2022 and 2025 was in August 2022 and has been highlighted in the RRU-042, Attachment 1.
