Re: **Docket No. 26-06-01: Annual Review of Connecticut's Electric Suppliers' and Electric Distribution Companies' Compliance with Connecticut's Renewable Energy Portfolio Standards in the Year 2025**

Dear Mr. Gaudiosi:

Attached is Green Mountain Energy Company's ("Company") 2025 Renewable Portfolio Standard ("RPS") Compliance Report. The Company did not serve any Connecticut load in 2025. Thus, the Company is only filing Exhibit A to the 2025 RPS Compliance Report, including the required RPS Affidavit.

The name, address, email address, and telephone number of the Company's contact person for RPS compliance are provided on Exhibit A. As instructed, certain materials are being provided in Excel and/or PDF formats.[1]

In accordance with the Public Utilities Regulatory Authority's ("PURA") instructions, "only an electronic copy through the PURA Web Filing System" is being submitted.[2] I certify that a copy of this filing has been sent to all participants of record as reflected on PURA's service list.

[1] Notice of Proceeding (Jul. 15, 2026), at 2.

[2] *See* Fifth Ruling on Temporarily Suspending Filing Paper Copies (Jun. 19, 2020).

Please do not hesitate to contact me if you have any questions or require additional information. Thank you.

Sincerely,

Joey Lee Miranda
