MOTION FOR PROTECTIVE TREATMENT OF CONFIDENTIAL INFORMATION

GenConn Energy LLC ("GenConn" or the "Company") hereby requests that the Public Utilities Regulatory Authority ("PURA") grant protective treatment as described in this motion to ensure that confidential information provided by the Company in the above-referenced docket is not subject to public disclosure pursuant to the Protective Order filed in this docket on June 30, 2026. As outlined below, certain information to be provided by the Company on this date in response to an interrogatory issued by the Office of Consumer Counsel ("OCC") on July 17, 2026 ("OCC Set 1") contains confidential, proprietary and/or competitive information related to vendor quotes associated with Turbine Fuel Nozzles, all of which are highly sensitive and commercially valuable and which the Company does not disclose publicly. In support of this motion, the Company states as follows:

1. The confidential information addressed in this motion includes information to be provided in OCC-014 Attachment 1 CONFIDENTIAL.

Vendor Pricing

2. OCC-014 Attachment 1 CONFIDENTIAL provides vendor pricing information associated with Turbine Fuel Nozzles. OCC-014 Attachment 1 CONFIDENTIAL includes confidential pricing terms and other sensitive pricing information obtained by the Company. These

commercial terms and information include proprietary, competitive and commercially sensitive information relating to contracts and agreements between the Company and vendor, all of which is non-public information, which, if disclosed publicly, would cause substantial harm to the Company and its vendor.

3. PURA has previously approved requests to protect similar pricing terms as confidential. See Docket No. 23-11-02, Application of Connecticut Natural Gas Corporation and The Southern Connecticut Gas Company to Amend their Rate Schedules (Nov. 26, 2023 Ruling on Motion No. 12 and Dec. 22, 2023 Ruling on Motion No. 29) (protecting as confidential third-party vendor agreement); Docket No. 20-08-03, Investigation into Electric Distribution Companies' Preparation for and Response to Tropical Storm Isaias (Dec. 10, 2020 Ruling on Motion No. 43) (protecting as confidential unaudited vendor invoices and pricing information); Docket No. 16-06-04, Application of the United Illuminating Company to Increase Rates and Charges (Aug. 8, 2016 Ruling on Motion No. 10) (approving motion for protective order for rate case expense); (Aug. 8, 2016 Order on Motion No. 8) (allowing confidential status for third-party vendor pricing information); (Aug. 25, 2016 Order on Motion No. 17) (protecting as confidential pricing and contract with meter reading vendor); Docket No. 14-05-06, Application of The Connecticut Light and Power Company to Amend Rate Schedules (July 25, 2014 Ruling on Motion No. 27) (vendor contracts for rate case expense); Docket No. 13-03-02, Petition of The Connecticut Light and Power Company for Approval to Recover its 2011 – 2012 Major Storm Costs (Apr. 10, 2013 Ruling on Motion No. 1) (third-party vendor pricing information); Docket No. 09-12-05, Application of Connecticut Light and Power Company To Amend Its Rate Schedules (Mar. 22, 2010 Ruling on Motion No. 34) (confidential vendor pricing information).

Legal Standard and Basis for Confidential Treatment

4. OCC-014 Attachment 1 CONFIDENTIAL is exempt from disclosure under Conn.

Gen. Stat. §1-210(b). Section 1-210(b)(5)(A) exempts "trade secrets" from disclosure by any public agency, and §1-210(b)(5)(B) exempts from disclosure "[c]ommercial or financial information given in confidence, not required by statute." OCC-014 Attachment 1 CONFIDENTIAL includes vendor pricing containing commercially sensitive and competitive financial information that qualifies as both a "trade secret" and "commercial or financial information given in confidence" that is not required to be produced by statute.

5. The Company has good cause to request that OCC-014 Attachment 1 CONFIDENTIAL be afforded protective treatment by PURA and remain protected from public disclosure. The Company considers the information contained in OCC-014 Attachment 1 CONFIDENTIAL to be confidential for the reasons stated herein and does not disclose it publicly.

6. The Office of Consumer Counsel shall have access to OCC-014 Attachment 1 CONFIDENTIAL pursuant to the terms of the Protective Order filed on June 30, 2026.

7. In this case, the necessity of withholding public disclosure of OCC-014 Attachment 1 CONFIDENTIAL outweighs the public interest in such disclosure.

8. Attachment A to this motion provides the supporting Affidavit of Devang N. Patel, which attests to the need for protective treatment of OCC-014 Attachment 1 CONFIDENTIAL.

9. For the foregoing reasons, the Company respectfully requests that PURA grant this motion for protective order.
