GENCONN ENERGY LLC APPLICATION TO ESTABLISH 2027 REVENUE REQUIREMENTS	:	**DOCKET NO. 26-06-02**
	:	**October 1, 2026**

AFFIDAVIT OF DEVANG N. PATEL

DEVANG N. PATEL, being duly sworn, states:

1. I am the Senior Vice President of GenConn Energy LLC ("GenConn" or the "Company"). My business address is 180 Marsh Hill Road, Orange, Connecticut 06477. I am over the age of eighteen years and understand the obligations of making statements under oath.

2. I am familiar with Docket No. 26-06-02, GenConn Energy LLC Application to Establish 2027 Revenue Requirements. As outlined below, certain information provided by the Company on this date in response to an interrogatory issued by PURA on September 17, 2026 ("PURA Set 5") contains confidential, proprietary and/or competitive information related to confidential vendor pricing information and other vendor information from the Company's outside auditor KPMG LLP ("KPMG"), which are highly sensitive and commercially valuable and which the Company understands its vendor treats as confidential, specifically: RRU-029 Attachment 1 CONFIDENTIAL, RRU-029 Attachment 2 CONFIDENTIAL, and RRU-029 Attachment 3 CONFIDENTIAL (the "Confidential Information").

3. I submit this affidavit in support of a Motion for Protective Order by the Company, filed contemporaneously herewith, requesting a ruling from PURA that RRU-029 Attachment 1 CONFIDENTIAL, RRU-029 Attachment 2 CONFIDENTIAL, and RRU-029 Attachment 3 CONFIDENTIAL (the "Confidential Information") are subject to confidential

treatment under the terms of the Protective Order submitted to PURA on June 30, 2026.

Vendor Pricing and Confidential Vendor Information

4. The Confidential Information provides KPMG's 2025 Audit Opinion issued to GenConn (RRU-029 Attachment 1 CONFIDENTIAL), the 2025 engagement letter between GenConn and KPMG (RRU-029 Attachment 2 CONFIDENTIAL) and communications between the Company and KPMG as part of the audit process (RRU-029 Attachment 3 CONFIDENTIAL). This includes confidential pricing and audit information that constitutes proprietary, commercially sensitive and strategic non-public third-party vendor data, which the Company does not disclose publicly because doing so would cause substantial harm to the Company and its vendors. The information was provided to the Company by its vendors with an expectation of privacy and must be protected from public disclosure in order to ensure that the Company is able to obtain competitive market-based pricing for these services. Prior to filing, the Company conferred with KPMG, which indicated that it considered the Confidential Information to be confidential business information. Public disclosure of the information contained in RRU-029 Attachment 1 CONFIDENTIAL, RRU-029 Attachment 2 CONFIDENTIAL, and RRU-029 Attachment 3 CONFIDENTIAL would harm the Company's vendors by exposing their proprietary financial information to competitors and other potential customers, and would harm the Company in its ability to attract and retain vendors to undertake necessary work at the lowest possible cost.

5. To the best of my knowledge, reasonable efforts have been used to keep and maintain this information as confidential; and to the best of my knowledge this information has not been disclosed or released to the public.

6. I have been advised by the Company's legal counsel that neither federal nor Connecticut statutes require this confidential information to be filed in the public record.
