Date Filed: September 14, 2026

Witness: Matthew Fallon
Request from: Office of Consumer Counsel

Question:

Please confirm the source of CL&P's equity on its balance sheet.

Response:

The equity on CL&P's balance sheet is a combination of: (1) retained earnings, which is the net of earnings generated by the Company less any dividends paid; and (2) paid-in capital, which is the result of equity contributions provided by its parent company, Eversource Energy.
