VEROGY HOLDINGS, LLC MOTION FOR PARTICIPANT STATUS

I. Introduction and Background

Verogy Holdings, LLC ("Verogy") was founded in Hartford, Connecticut and continues to operate out of its headquarters in West Hartford, Connecticut, where it develops, constructs, owns, and operates solar and solar plus storage projects for clients across Connecticut, and across the country. Verogy has a depth of knowledge of the current Shared Clean Energy Facility Program in the State of Connecticut and can provide valuable insight in modifying the program for the upcoming year.

On April 8, 2026, the Public Utilities Regulatory Authority ("PURA") opened the above-mentioned docket to conduct an annual review of the Shared Clean Energy Facility (SCEF) Program and to consider any modifications for the upcoming Year 8 Procurement.

Verogy wishes to participate and contribute to this developing topic.

II. Conclusion

For all the reasons articulated herein, Verogy respectfully requests designation by PURA as a participant in the case set forth above. Correspondence and other communications regarding this docket may be served on the following via electronic delivery:
