Date Filed: September 23, 2026

Witness: Leanne M. Landry and John G. Griffin
Request from: New England Connectivity and Telecommunications Association

Question:

(FERC Accounts) With regard to the Account 593 expense reported in the 2025 FERC Form 1, explain whether any of the reported expense is subject to (either currently or requested) deferred or amortized recovery as a storm-related regulatory asset, and if so, please identify the amount and amortization/deferral period.

Response:

There are no expenses within FERC Account No. 593 related to expenses subject to deferred or amortized recovery as a storm-related regulatory asset.
