Attachment A

STATE OF CONNECTICUT

PUBLIC UTILITIES REGULATORY AUTHORITY

APPLICATION OF THE CONNECTICUT LIGHT AND POWER COMPANY d/b/a EVERSOURCE ENERGY TO AMEND ITS RATE SCHEDULES	:	**DOCKET NO. 26-05-10**
		OCTOBER 22, 2026

AFFIDAVIT OF CASANDRA DICKSON

Casandra Dickson, being duly sworn, states:

1. I am the Director of Regulatory Projects and Compliance for Eversource Energy Service Company ("ESC") for the Connecticut electric and gas utility companies, including the Connecticut Light and Power Company d/b/a Eversource Energy (the "Company" or "CL&P"). My business address is 247 Station Drive Westwood, MA 02090. I am over the age of eighteen years and understand the obligations of making statements under oath.

2. I am familiar with Docket No. 26-05-10, Application of The Connecticut Light and Power Company d/b/a Eversource Energy to Amend its Rate Schedules, including information provided by the Company in response to an interrogatory issued by Allco Finance Limited ("ALLCO") on September 24, 2026 ("ALLCO Set 11"). The confidential information addressed in this motion includes information provided by the Company in the following attachment to an interrogatory in ALLCO Set 11:

Interrogatory Number	Attachment Name	Redacted Filing Date	Confidential Filing Date
ALLCO-124	Attachment 1 CONFIDENTIAL	October 16, 2026	October 16, 2026

ALLCO-124, Attachment 1 CONFIDENTIAL, was submitted to PURA via email on October 16, 2026. The last response to ALLCO Set 11 was filed with PURA on October 21, 2026.

3. I submit this affidavit in support of a Motion for Protective Treatment by the Company, filed contemporaneously herewith, requesting a ruling from the Public Utilities Regulatory Authority ("PURA") that the Confidential Information be granted confidential treatment.

4. ALLCO-124, Attachment 1 CONFIDENTIAL, contains names and contact information for individual Eversource employees. Employee names and contact information should be protected from public disclosure. If the Company makes employee information public, there are both cybersecurity and physical security risks to individual Eversource employees. Making employee information public triggers an increased risk in phishing attacks as there is more information available about Eversource employees, centralized and publicly available. Additionally, there is a risk of personal harassment for individual employees.

5. ALLCO-124, Attachment 1 CONFIDENTIAL, contains confidential vendor pricing and contract term information relating to the Company's third-party vendors. Specifically, the attachment contains a vendor-specific invoice. The pricing and negotiated terms from third parties and consultants are confidential and proprietary, and public disclosure of this information would adversely impact the third parties and consultants in their pending and future negotiations to perform like services for other companies. The information on terms, fees, and rates contained in these attachments include proprietary, competitive, and commercially sensitive information that is non-public information. Public disclosure of this information would cause substantial harm to the Company and its vendors. Negotiated contract terms, pricing, and unit cost terms obtained by the Company from vendors are provided with an expectation of privacy and must be protected

from public disclosure to ensure competitive market pricing. Additionally, the Confidential Information in ALLCO-124, Attachment 1 CONFIDENTIAL, includes confidential bank account numbers of the vendor, which are not disclosed publicly and if disclosed could subject the Company, its vendor, and banking partners to potential fraud and abuse.

6. To the best of my knowledge, reasonable efforts have been used to keep and maintain this information as confidential; and to the best of my knowledge this information has not been disclosed or released to the public.

7. I have been advised by the Companies' legal counsel that neither federal nor Connecticut statutes requires this confidential information to be filed in the public record.
