Notification of Circumstance - Keys CT 12 Failure

On 5th June, 2023 Keys Energy Center CT12 tripped offline due to a generator ground/fault. An inspection identified failed braided connections on one phase of the generator terminal connections causing significant damage to nearby components. Per Siemens recommendation, the rotor was not usable and their recommended path forward for lowest risk and timeliest return to service was to exchange the rotor with their seed rotor exchange program to ensure long term reliability of the generator. Recommended actions were followed, and CT12 returned to service in July 2023. Notification of an event was sent to insurers on 16th June 2023 but no formal claim was submitted due to the expectation that the contractor who performed the work (Riggs Distler & Company Inc.) will take full responsibility.

Property Damage - Parkway is working with Liability Claims Specialist from Centuri (Parent company to Riggs) and, as of 26th October, the total 'ground up' Property Damage estimate is USD 8.8m. The Destructive Analysis report supports a conclusion of incorrect installation being the cause of the event.

Business Interruption - The rotor exchange was completed within the Business Interruption deductible period.

POLICYHOLDER DISCLOSURE

NOTICE OF TERRORISM

INSURANCE COVERAGE

You are hereby notified that under the Terrorism Risk Insurance Act of 2002, as amended ("TRIA"), that you now have a right to purchase insurance coverage for losses arising out of acts of terrorism, as defined in Section 102(1) of the Act, as amended: The term "act of terrorism" means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States mission; and to have been committed by an individual or individuals, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Any coverage you purchase for "acts of terrorism" shall expire at 12:00 midnight December 31, 2027, the date on which the TRIA Program
is scheduled to terminate, or the expiry date of the policy whichever occurs first, and shall not cover any losses or events which arise after the earlier of these dates.

YOU SHOULD KNOW THAT COVERAGE PROVIDED BY THIS POLICY FOR LOSSES CAUSED BY CERTIFIED ACTS OF TERRORISM IS PARTIALLY REIMBURSED BY THE UNITED STATES UNDER A FORMULA ESTABLISHED BY FEDERAL LAW. HOWEVER, YOUR POLICY MAY CONTAIN OTHER EXCLUSIONS WHICH MIGHT AFFECT YOUR COVERAGE, SUCH AS AN EXCLUSION FOR NUCLEAR EVENTS. UNDER THIS FORMULA, THE UNITED STATES PAYS 80% OF COVERED TERRORISM LOSSES EXCEEDING THE STATUTORILY ESTABLISHED DEDUCTIBLE PAID BY THE INSURER(S) PROVIDING THE COVERAGE. YOU SHOULD ALSO KNOW THAT THE TERRORISM RISK INSURANCE ACT, AS AMENDED, CONTAINS A USD 100 BILLION CAP THAT LIMITS U.S. GOVERNMENT REIMBURSEMENT AS WELL AS INSURERS' LIABILITY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM WHEN THE AMOUNT OF SUCH LOSSES IN ANY ONE CALENDAR YEAR EXCEEDS USD100 BILLION. IF THE AGGREGATE INSURED LOSSES FOR ALL INSURERS EXCEED USD100 BILLION, YOUR COVERAGE MAY BE REDUCED.

THE PREMIUM CHARGED FOR THIS COVERAGE IS PROVIDED BELOW AND DOES NOT INCLUDE ANY CHARGES FOR THE PORTION OF LOSS COVERED BY THE FEDERAL GOVERNMENT UNDER THE ACT.

	I hereby elect to purchase coverage for acts of terrorism for a prospective premium of USD.....
	I hereby elect to have coverage for acts of terrorism excluded from my policy. I understand that I will have no coverage for losses arising from acts of terrorism.

PREMIUM PAYMENT CLAUSE

The (Re)Insured undertakes that premium will be paid in full to Underwriters within 90 days of inception of this policy (or, in respect of installment premiums, when due).

If the premium due under this policy has not been so paid to Underwriters by 90th day from the inception of this policy (and, in respect of installment premiums, by the date they are due) Underwriters shall have the right to cancel this policy by notifying the (Re)Insured via the broker in writing. In the event of cancellation, premium is due to Underwriters on a pro rata basis for the period that Underwriters are on risk but the full policy premium shall be payable to Underwriters in the event of a loss or occurrence prior to the date of termination which gives rise to a valid claim under this policy.

It is agreed that Underwriters shall give not less than 15 days prior notice of cancellation to the (Re)Insured via the broker. If premium due is paid in full to Underwriters before the notice period expires, notice of cancellation shall automatically be revoked. If not, the policy shall automatically terminate at the end of the notice period.

Unless otherwise agreed, the Leading Underwriter (and Agreement Parties if appropriate) are authorised to exercise rights under this clause on their own behalf and on behalf of all Underwriters participating in this contract.

If any provision of this clause is found by any court or administrative body of competent jurisdiction to be invalid or unenforceable, such invalidity or unenforceability will not affect the other provisions of this clause which will remain in full force and effect.

Where the premium is to be paid through a London Market Bureau, payment to Underwriters will be deemed to occur on the day of delivery of a premium advice note to the Bureau.

EXCESS PHYSICAL DAMAGE FORM

1. INSURING CLAUSE

Subject to the limitations, terms and conditions contained in this Insurance or added hereto, the Insurers agree to indemnify the Insured named in the Risk Details in respect of Direct Physical loss or damage to property as detailed in the Risk Details, occurring during the period detailed in the Risk Details and caused by any of such Perils as are detailed in the Risk Details and which are also covered by and defined in the Insurance(s) issued by the Primary Insurers stated in Item (a) of Underlying Insurance Identification below.

2. APPLICATION OF UNDERLYING PROVISIONS

In respect of the Perils hereby insured against this Insurance is subject to the same warranties, terms and conditions (except as regards the premium, the Limits of Liability other than the deductible or self-insurance provision where applicable, and the renewal agreement, if any, AND EXCEPT AS OTHERWISE PROVIDED HEREIN) as are contained in or as may be added to the Insurance(s) of the Primary Insurers prior to the happening of a loss for which claim is made hereunder and should any alteration be made in the premium for the Insurance(s) of the Primary Insurers, then the premium hereon may be adjusted accordingly.

3. **LIMIT**

Provided always that liability attaches to the Insurers only after the Primary and Underlying Excess Insurers have paid or have admitted liability for the full amount of their respective ultimate net loss liability as shown in the Risk Details, and then the Limits of the Insurers Liability shall be those as detailed in the Risk Details and the Insurers shall be liable to pay the ultimate net loss up to the full amount of such Limit(s).

4. **MAINTENANCE OF PRIMARY AND UNDERLYING EXCESS INSURANCE(S) AND LIMITS**

It is a condition precedent to recovery under this Insurance that the Insurance(s) and Limit(s) of the Primary and Underlying Excess Insurer(s) shall be maintained in full force and effect, except for any reduction or exhaustion of any underlying aggregate Limits of Liability contained therein, solely by the amount of loss(es) paid or admitted during the period of this Insurance as detailed in the Risk Details. Only losses which, except for the amount thereof, would have been payable under this Insurance may contribute to the satisfaction, reduction or exhaustion of underlying amounts and/or deductibles.

In the event of such reduction of the aggregate Limits of Liability of the Primary and Underlying Excess Insurance(s), this Insurance shall pay excess over the reduced aggregate limit. In the event of exhaustion of the aggregate Limits of Liability of the Primary and Underlying Excess Insurance(s) this Insurance, subject to all its provisions, shall continue in force as Primary Insurance in respect of the peril for which the aggregate Limit of Liability has been so exhausted and the deductible or self-insured amount applicable to that peril, as detailed in Item (c) of Underlying Insurance Identification below, shall apply to this Insurance.

5. **UNCOLLECTIBILITY OF OTHER INSURANCE**

Notwithstanding any of the terms of this Insurance that might be construed otherwise, the cover provided by this Insurance shall always be excess over the maximum monetary limits of the Primary and any Underlying Excess Insurances as shown in the Risk Details (reduced only by reduction of any underlying aggregate limits as provided for in Clause 4. Maintenance of Primary and Underlying Excess Insurance(s) and Limits above) regardless of the uncollectibility (in whole or in part) of any underlying insured amounts for any reason, including, but not limited to, the financial impairment or insolvency of an underlying Insurer.

The risk of uncollectibility (in whole or in part) of other insurance, whether because of financial impairment or insolvency of an underlying or other insurer or for any reason, is expressly retained by the Insured and is not in any way or under any circumstances insured or assumed by Insurers.

6. **DEFINITIONS**

(a) **Occurrence:** the words "per occurrence" shall be as defined in the Policy/ies of the Primary Insurers

(b) **Ultimate Net Loss:** The words "ultimate net loss" shall mean the loss sustained by the Insured as a result of the happening of the perils insured against by this Insurance, limited by

(i) any sub-limits contained within this Insurance or the Insurance(s) of the Primary and/or the

Underlying Excess Insurers.

(ii) making deductions for all salvages, recoveries, and other insurances (other than recoveries under the Insurance(s) of the Primary and Underlying Excess Insurers).

(c) **Period:** The word "period" shall be understood to mean a period of time commencing on the date as shown in Risk Details.

7. **APPLICATION OF RECOVERIES**

All salvages, recoveries or payments recovered or received subsequent to a loss settlement under this Insurance shall be applied as if recovered or received prior to such settlement and all necessary adjustments shall than be made between the Insured and the Insurers, provided always that nothing in this Insurance shall be construed to mean that losses under this Insurance are not recoverable until the Insured's ultimate net loss has been finally ascertained.

8. ~~**CANCELLATION**~~

~~This Insurance may be cancelled by the Insured at any time by written notice or by surrender of this Insurance Contract. This Insurance may also be cancelled by or on behalf of the Insurers by delivering to the Insured or by mailing to the Insured, by registered, certified or other first class mail, at the Insured's address as shown in this Insurance, written notice stating when, not less than **{Missing}** days thereafter, the cancellation shall be effective. The mailing of such notice as aforesaid shall be sufficient proof of notice and this Insurance shall terminate at the date and hour specified in such notice.~~

~~If this Insurance shall be cancelled by the Insured, the Insurers shall retain the customary short rate proportion of the premium hereon, except that if this Insurance is on an adjustable basis, the Insurers shall receive the earned premium hereon, or the customary short rate proportion of any minimum premium stipulated herein, whichever is the greater.~~

~~If this Insurance shall be cancelled by or on behalf of the Insurers, the Insurers shall retain the pro rata proportion of the premium hereon, except that if this Insurance is on an adjustable basis the Insurers shall receive the earned premium hereon, or the pro rata proportion of any minimum premium stipulated herein, whichever is the greater.~~

~~Payment or tender of any unearned premium by the Insurers shall not be a condition precedent to the effectiveness of cancellation but such payment shall be made as soon as practicable.~~

~~If the period of limitation relating to the giving of notice is prohibited or made void by any law controlling the construction thereof, such period shall be deemed to be amended so as to be equal to the minimum period of limitation permitted by such law.~~

(RE)INSURERS' LIABILITY

(Re)insurer's liability several not joint

The liability of a (re)insurer under this contract is several and not joint with other (re)insurers party to this contract. A (re)insurer is liable only for the proportion of liability it has underwritten. A (re)insurer is not jointly liable for the proportion of liability underwritten by any other (re)insurer. Nor is a (re)insurer otherwise responsible for any liability of any other (re)insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by a (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp. This is subject always to the provision concerning "signing" below.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is a (re)insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other (re)insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Proportion of liability

Unless there is "signing" (see below), the proportion of liability under this contract underwritten by each (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp and is referred to as its "written line".

Where this contract permits, written lines, or certain written lines, may be adjusted ("signed"). In that case a schedule is to be appended to this contract to show the definitive proportion of liability under this contract underwritten by each (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together). A definitive proportion (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of a Lloyd's syndicate taken together) is referred to as a "signed line". The signed lines shown in the schedule will prevail over the written lines unless a proven error in calculation has occurred.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.
