STATE OF CONNECTICUT

PUBLIC UTILITIES REGULATORY AUTHORITY

DOCKET NO. 26-08-06
ANNUAL EV CHARGING PROGRAM REVIEW – YEAR 6

NOTICE OF TECHNICAL MEETING
(October 13, 2026)

BACKGROUND

On July 14, 2021, the Public Utilities Regulatory (Authority or PURA) issued a final Decision in Docket No. 17-12-03RE04, PURA Investigation into Distribution System Planning of the Electric Distribution Companies – Zero Emission Vehicles (Final Decision) establishing a statewide electric vehicle (EV) charging program (EV Charging Program or Program).

Pursuant to Section VI.F. of the Final Decision, the Authority conducts an annual proceeding to review key Program metrics and to make strategic adjustments to ensure: (1) continued alignment with the program objectives established in the final Decision; and (2) that the Program is on track to meet its deployment targets. Final Decision, p. 42.

On January 15, 2026, the EDCs filed compliance containing Program budget and expense information relevant to Order No. 13 of the Authority's December 17, 2025 Decision in Docket No. 25-08-06, Annual EV Charging Program Review – Year 5 (Year 5 EV Decision).

On August 3, 2026, the EDCs jointly filed compliance containing an annual report summarizing Program results and activities to date and proposed program design changes. The August 3, 2026 filing contains information relevant to the following Authority Orders: Order No. 14 of the Authority's July 14, 2021 Decision in Docket No. 17-12-03RE04, and Order Nos. 4, 6 and 18 of Year 5 EV Decision.

On September 2, 2026, the EDCs filed a motion for review and approval (Motion No. 8) in compliance with Order No. 1 of the Authority's July 1, 2026 Decision in Docket No. 22-08-07, Innovative Energy Solutions Program Cycle 01. Motion No. 8 includes the EDCs' recommendations for scaled deployment of AmpUp's Innovative Energy Solutions Cycle 1 project within the Multi-Unit Dwelling (MUD) managed charging final program design.

On September 2, 2026, the EDCs filed a motion for review and approval (Motion No. 9) in compliance with Order No. 6 of the Year 5 EV Decision. Motion No. 9 includes the results of the EDCs' MUD Managed Charging Pilot offering and a final program design proposal.

TECHNICAL MEETING

A technical meeting of PURA commissioners, Authority staff, and docket participants will be held on **Tuesday, October 13, 2026 at 10:00 AM via remote teleconference**. The Authority will use this Technical Meeting to receive information on the EDC proposals in the Annual Report, as well as topics included in the Notice of Request for Written Comments issued on September 21, 2026. The Authority directs the EDCs to jointly present on their proposed program changes and recommendations as contained in the Annual Report (prioritizing the proposal regarding Program incentives and deployment targets and related Program budget and expense information submitted in response to Order No. 13), and Motion Nos. 8 and 9.

Further, the Authority invites other stakeholders to present on any of the topics raised in the Notices of Request for Written Comments.

PARTICIPATION AND PRESENTATIONS

Accordingly, Participants and stakeholders planning to present or otherwise provide comments at the Technical Meeting must provide a list of speakers, along with a designation of speaker by topic with an estimated time to present on each topic to the case coordinator, Laura Lupoli, via email at laura.lupoli@ct.gov, by **12:00 p.m. on Wednesday, October 7, 2026**. All participants providing presentations must file their presentations through the Authority's web filing system and provide a copy to the case coordinator by 4:00 p.m. on **Friday, October 9, 2026**.

The Technical Meeting will take place through remote access. Access instructions are set forth below.
