Total For Bid Evaluation [redacted]

Evaluation Template Revision Date: 10/23/23

INSTRUCTIONS:
Orange colored cells are entered manually by the bid evaluation team
Diversity Score- Score can be entered as 0 for non-diverse and 5 for diverse unless supplier group is submitting tier 2 diversity spend. If supplier is submitting tier 2, diversity score is to be entered in 0-100 scale for percentage of tier 2 diverse spend.
Sustainability Score - Please refer to the results of the Annual Sustainbility RFI
Technical Scores - A score comment is required for all technical scores more than 4 or 2 and less
Safety Scores - Please refer to the results of the Semi Annual Safety Report from ISNetworld. A score comment is required for any adjustments to the ISNetworld Safety Score
Note - If Sustainabiltiy and/or Safety scores are not available in annual or semi annual reports, please refer to the specific RFP for responses and ISNetworld
