Public Educational and Governmental Programming and Education Technology Investment Account (PEGPETIA) Grant Program Application & Itemized Budget

Instructions for Filing a Motion to Apply for a PEGPETIA Grant

Motion Deadline

The Public Utilities Regulatory Authority (Authority or PURA) oversees a program to award Public Educational and Governmental Programming Grants (PEG Grants) and Education Technology Investment Grants (ETI Grants) to eligible entities. See General Statutes § 16-331cc. **This PEGPETIA Grant Program Application must be filed as a motion in Docket No. 26-10-02 no later than noon on November 20, 2026.**

Program Funding Eligibility

PEG grant funding is intended to improve public, educational, and governmental access programming in Connecticut, and funds should be used for capital and equipment costs that aid the production or procurement of public, educational, and governmental programs. To ensure the funding is used appropriately, after completion of the project, PEG grant recipients must file a report of the project enabled by the grant funds.

ETI grant funding is intended to support education technology initiatives of boards of education and other education entities (public and private schools are eligible to apply). To ensure the funding is used appropriately, after completion of the project, ETI grant recipients must file a report of the project enabled by the grant funds.

Submission of Motion

Applicants must complete and file the Application with Itemized Budget electronically to PURA as a motion in Docket No. 26-10-02, at https://portal.ct.gov/pura/about/filing-and-forms/make-an-electronic-filing. Applicants who have not previously registered must first register for an account.

Motions must include an Application and Itemized Budget for the projects to be funded by the grant. Quotes, invoices, or similar documentation must be submitted for each item to be purchased with grant funds.

The motion will be assigned a unique motion number after it is filed. The allowable electronic filing size is 20 MB. If the motion's attachments (Application with Itemized Budget plus other attachments) exceed the allowable limit, the motion may include only the completed Application with Itemized Budget, and the remaining attachments must be filed as supplemental filings to the same motion. Subsequent supplements must also be filed as supplemental filings under the assigned motion number.

Questions regarding the electronic filing of the motion and supplements should be directed to Docket Control at PURA.ExecutiveSecretary.gov or (860) 827-2836.

III. Investment or Initiative Eligibility

12. Provide a description of proposed capital and equipment investment or education technology initiative. State expected enhancements to PEG programming or education technology. If applicable, state why similar equipment is not available from the local community access studio (PEG only).

Regional School District 17 proposes to use PEGPETIA grant funds to replace outdated, end-of-life technology currently used in the Haddam-Killingworth High School TV Studio. The proposed investment includes 10 Mac Minis to replace existing iMac computers that no longer receive macOS updates and are no longer supported by Adobe, as well as replacing end-of-life microphones and microphone peripherals. Updating this equipment will ensure students have access to up-to-date technology and software to support hands-on learning in television production, video editing, broadcasting, and digital media. T

The Haddam-Killingworth High School TV Studio is available to all high school students, providing opportunities for students to explore media production, develop technical skills, collaborate, and apply classroom learning. This investment will help maintain a functional and relevant learning environment while expanding students' opportunities to develop valuable communication, creative, and technology skills. The equipment is intended for educational use within the high school TV Studio, as a resource for ongoing, school-based instruction and learnin

13. Identify the affected geographical area(s) and/or school system(s) that will benefit from the investment or initiative:

Regional School District #17, which includes the towns of Haddam and Killingworth, CT.

14. State the number of subscribers served or students impacted:

Approximately 464 students enrolled and 54 certified faculty at Haddam-Killingworth High School will have access to and benefit from the updated TV Studio equipment.

15. List the schedule for implementation, including estimated dates for key milestones and completion.

Note: Completed projects are not eligible.

Equipment will be installed over the 2027 summer break (or earlier depending on equipment arrival). Equipment will be installed and ready to use by August 15, 2027.

16. Identify objective performance measures that can be used to evaluate the success or effectiveness of the investment or initiative:

The success of this investment will be evaluated through several measurable outcomes, including the successful installation and operation of the 10 Mac Minis and replacement studio equipment, ensuring students have access to current, supported technology and software. This will also be measured by continued student access to the TV Studio and opportunities to develop technical, communication, collaboration, and digital media production skills.

17. Description of organization, including experience and competence related to the proposed project:

Regional School District 17 is a public school district serving the communities of Haddam and Killingworth, Connecticut, educating approximately 1,640 students across five schools. The district is committed to providing high-quality educational experiences and equitable access to resources and technology that support student learning, creativity, and innovation. Haddam-Killingworth High School has an established TV Studio that provides students with hands-on opportunities to explore television production, video editing, broadcasting, and digital media. The studio is available to all high school students and supports the development of technical skills, communication, collaboration, and creativity through practical learning experiences. Students also contribute to school and community programming, including broadcasts of special events such as the annual holiday show. This investment will build upon an established program, modernize essential equipment, and ensure that students continue to have access to relevant technology and meaningful educational experiences.
