AFFIDAVIT OF CASANDRA DICKSON

Casandra Dickson, being duly sworn, states:

1. I am the Director of Regulatory Projects and Compliance for Eversource Energy Service Company ("ESC") for the Connecticut electric and gas utility companies, including the Connecticut Light and Power Company d/b/a Eversource Energy (the "Company" or "CL&P"). My business address is 247 Station Drive Westwood, MA 02090. I am over the age of eighteen years and understand the obligations of making statements under oath.

EOE-408	Attachment 1 CONFIDENTIAL	October 28, 2026	October 28, 2026

Together, these documents are referred to herein as the "Confidential Information." The Confidential information was submitted to PURA via email on October 26, 2026, October 27, 2026, October 28, 2026, October 29, 2026, and October 30, 2026. The last response to EOE Set 8 was filed with PURA on November 12, 2026.

3. I submit this affidavit in support of a Motion for Protective Treatment by the Company, filed contemporaneously herewith, requesting a ruling from the Public Utilities Regulatory Authority ("PURA") that the Confidential Information be granted confidential treatment.

4. EOE-227-SP01, Attachment 1 CONFIDENTIAL; EOE-386, Attachment 1 CONFIDENTIAL; EOE-387, Attachment 1 CONFIDENTIAL; EOE-391, Attachments 1 through 6 CONFIDENTIAL; EOE-396, Attachment 1 CONFIDENTIAL; and EOE-936, Attachment 5 CONFIDENTIAL, contain names and contact information for individual Eversource employees.

Employee names and contact information should be protected from public disclosure. If the Company makes employee information public, there are both cybersecurity and physical security risks to individual Eversource employees. Making employee information public triggers an increased risk in phishing attacks as there is more information available about Eversource employees, centralized and publicly available. Additionally, there is a risk of personal harassment for individual employees.

5. EOE-386, Attachment 1 CONFIDENTIAL; EOE-391, Attachments 1 through 6 CONFIDENTIAL; EOE-396, Attachments 1 through 5 CONFIDENTIAL; EOE-936, Attachment 7 CONFIDENTIAL; and EOE-408, Attachment 1 CONFIDENTIAL, contain confidential vendor pricing and contract term information relating to the Company's third-party vendors. The pricing and negotiated terms from third parties and consultants are confidential and proprietary, and public disclosure of this information would adversely impact the third parties and consultants in their pending and future negotiations to perform like services for other companies. The information on terms, fees, and rates contained in these attachments include proprietary, competitive, and commercially sensitive information that is non-public information. Public disclosure of this information would cause substantial harm to the Company and its vendors. Negotiated contract terms, pricing, and unit cost terms obtained by the Company from vendors are provided with an expectation of privacy and must be protected from public disclosure to ensure competitive market pricing. Additionally, the Confidential Information in EOE-936, Attachment 4 CONFIDENTIAL, includes confidential bank account numbers of the vendor, which are not disclosed publicly and if disclosed could subject the Company, its vendor, and banking partners to potential fraud and abuse.

6. EOE-397, Attachments 1 and 2 CONFIDENTIAL, provide evaluation of the vendor bids provided in response to an RFP, as well as information on bid evaluation methodology

information. The Company's internal RFP evaluation process is confidential and, if disclosed, may impact the Company's ability to secure services from competent vendors at competitive rates, which in turn would impact customers. Potential bidders should not have access to the Company's evaluation criteria and processes, because such access would provide them an advantage in the evaluation process, potentially skewing the results and content of proposals. In maintaining its evaluation criteria as confidential, the Company is assured that potential bidder proposals are based on the market and the bidder's qualifications.

7. EOE-377, Attachment 1 CONFIDENTIAL, is a call recording that contains specific customer account information and customer identifying information. The Company does not disclose customer information, including customer calls, account numbers, or financial information of customers to the public. Any public disclosure of the Company's customer information would harm its customers' privacy interests.

8. To the best of my knowledge, reasonable efforts have been used to keep and maintain this information as confidential; and to the best of my knowledge this information has not been disclosed or released to the public.

9. I have been advised by the Companies' legal counsel that neither federal nor Connecticut statutes requires this confidential information to be filed in the public record.
