Public Educational and Governmental Programming and Education Technology Investment Account (PEGPETIA) Grant Program Application & Itemized Budget

Instructions for Filing a Motion to Apply for a PEGPETIA Grant

Motion Deadline

The Public Utilities Regulatory Authority (Authority or PURA) oversees a program to award Public Educational and Governmental Programming Grants (PEG Grants) and Education Technology Investment Grants (ETI Grants) to eligible entities. See General Statutes § 16-331cc. **This PEGPETIA Grant Program Application must be filed as a motion in Docket No. 26-10-02 no later than noon on November 20, 2026.**

Program Funding Eligibility

PEG grant funding is intended to improve public, educational, and governmental access programming in Connecticut, and funds should be used for capital and equipment costs that aid the production or procurement of public, educational, and governmental programs. To ensure the funding is used appropriately, after completion of the project, PEG grant recipients must file a report of the project enabled by the grant funds.

ETI grant funding is intended to support education technology initiatives of boards of education and other education entities (public and private schools are eligible to apply). To ensure the funding is used appropriately, after completion of the project, ETI grant recipients must file a report of the project enabled by the grant funds.

Submission of Motion

Applicants must complete and file the Application with Itemized Budget electronically to PURA as a motion in Docket No. 26-10-02, at https://portal.ct.gov/pura/about/filing-and-forms/make-an-electronic-filing. Applicants who have not previously registered must first register for an account.

Motions must include an Application and Itemized Budget for the projects to be funded by the grant. Quotes, invoices, or similar documentation must be submitted for each item to be purchased with grant funds.

The motion will be assigned a unique motion number after it is filed. The allowable electronic filing size is 20 MB. If the motion's attachments (Application with Itemized Budget plus other attachments) exceed the allowable limit, the motion may include only the completed Application with Itemized Budget, and the remaining attachments must be filed as supplemental filings to the same motion. Subsequent supplements must also be filed as supplemental filings under the assigned motion number.

Questions regarding the electronic filing of the motion and supplements should be directed to Docket Control at PURA.ExecutiveSecretary.gov or (860) 827-2836.

II. Applicant Eligibility

9. Organization Type (check one):

PEG (Programming)

☐ Local community antenna television and video advisory council

☐ State-wide video advisory council

☐ Public, educational and governmental programmer

☐ Public, educational and governmental studio operator

ETI (Educational Technology Initiative)

☐ Board of Education

☑ Public library

☐ Other education entity: _____

10. Which of the following describes your organization?

☐ Connecticut State Agency

☑ Municipality

☐ Nonprofit 501(c)(3) organization. Provide Secretary of the State No.: _____

☐ Other (e.g., LLC or corporation). Provide Secretary of the State No.: _____

11. For each of the PEGPETIA Grant cycles below, indicate whether your organization received a grant and submitted all required compliance filings:

Docket No.	Grant Received?	Date of Compliance Filing		
		Order No. 2	Order No. 3	Order No. 4

21-10-13	☐ Yes ☑ No			

Note: If you have received a grant in any of the dockets listed above, you must submit any outstanding compliance filings prior to submitting this application.

III. Investment or Initiative Eligibility

12. Provide a description of proposed capital and equipment investment or education technology initiative. State expected enhancements to PEG programming or education technology. If applicable, state why similar equipment is not available from the local community access studio (PEG only).

Simsbury Public Library is requesting funding to complete the 3 technology projects.

1. Replace microphones and microphone systems in the Friends of the Simsbury Public Library Program Room. The current microphones and system are not functioning optimally which impacts meetings and programs in the space.

2. Replace the TV in the Teen Space. The TV is older and the display has issues. Teens use this equipment for programming.

3. Replace the camera and router which are part of the Library's Luxor Pick-up Lockers. The camera and router are out of date and no longer functioning optimally. These Lockers allow the community to have access to the Library's physical materials at any time, including when the Library is closed to visitors. It has become quite an important and heavily used program offered by the Library.

4. Purchase 2 replacement public PCs for the Children's Department.

13. Identify the affected geographical area(s) and/or school system(s) that will benefit from the investment or initiative:

The Simsbury Public Library serves the Town of Simsbury and students in Simsbury Public Schools, as well as many of the private schools within the Town. The Simsbury Public Library also sees many visitors throughout the Farmington Valley. In fiscal year 2025-2026, 322,484 people of all ages visited Simsbury Public Library.

14. State the number of subscribers served or students impacted:

Simsbury Public Library serves the Town of Simsbury residents, a total of 25,911 people, 4,147 of which are students.

15. List the schedule for implementation, including estimated dates for key milestones and completion.

Note: Completed projects are not eligible.

Disbursement in June 2027

June/July 2027 - Order equipment for microphones and schedule installation.

June/July 2027 - Purchase and install Teen Space TV.

June/July 2027 - Order camera and router for Pick-Up Lockers

July 2027 - Order 2 replacement PCs for the Children's Department

August/September - Install microphones and microphone systems in the Friends of the Simsbury Public Library Program Room.

August/September - Install camera and router for Pick-Up Lockers

16. Identify objective performance measures that can be used to evaluate the success or effectiveness of the investment or initiative:

-Use of the Friends of the Simsbury Public Library and Tariffville Rooms
-Quality of sound in both rooms
-Use of the TV in the Teen Space
-Use of the Luxor Pick-up Lockers

17. Description of organization, including experience and competence related to the proposed project:

Simsbury Public Library is an award-winning organization, recognized for Excellence in Library Service by the Connecticut Library Association in 2018, 2019, 2021, and 2023, as well as being one of only two libraries in CT nationally ranked for excellence by Library Journal in 2022, that has become a true community center, offering free access to resources, technology and ideas.

As a municipal library, it is governed by an elected Board of Trustees that is actively overseeing a current strategic plan that was adopted in November 2020 and is reviewed annually. The Trustees work closely with the Library Director, Lisa Karim Miceli, who served as President of the Connecticut Library Association, and is now a member of the Connecticut Library Association Executive Board as Procedures Chair, and as the elected Representative for libraries in Connecticut Region 2. Ms. Karim Miceli holds an MLS from the State UNiversity of New York at Albany, and a post-graduate certificate in Public Library Administration from Long Island University. She is a Certified Connecticut Municipal Official. She has been a Library Director for 34 years, serving 11.5 years at Simsbury Public Library. Under Ms. Karim Miceli's leadership the Library has established a Makerspace, increased community engagement and programming by more than 5%, received a State of Connecticut Library Construction Grant to expand the building, and become the first library in Connecticut to receive the status of Bicycle Friendly Business by the League of American Bicyclists.

Simsbury Public Library received PEGPETIA funding in 2020, 2023, 2024 and 2025 and successfully completed all grant projects.

PEGPETIA ITEMIZED BUDGET

Instructions

Required Information

You must provide this itemized budget for the capital and equipment investment or education technology initiative proposed in your application. For each expense, you must provide the following information:

(1) Name of expense

(2) Total amount of expense (unit cost x quantity)

(3) Brief description

(4) Quantity requested

(5) Unit price

(6) A copy of a bid, estimate, or similar documentation; and

(7) Type of cost (equipment, design, engineering, installation, training, warranty, insurance, other)

For each expense listed, you must attach a copy of the bid, estimate, or similar documentation.

Note: The Authority cannot accept links to online vendors as documentation of expenses. You may, however, attach saved or printed copies of equipment listed for sale with online vendors as documentation.

Types of Costs

Non-equipment costs (such as design, engineering, installation, training, warranties, or insurance) must be reasonable and should be limited to less than 10% of the overall grant. Other non-equipment expenses (such as salaries, service agreements, or stipends) are not permitted as part of the grant request.

Note: Software may be categorized as equipment.

Fwd: Estimate - ES3926 from Luxer One

1 message

Derek Vance <dvance@libraryconnection.info> Thu, Oct 15, 2026 at 3:06 PM
To: Nick Engert <nengert.spl@libraryconnection.info>, Lisa Karim <lmiceli@libraryconnection.info>

Hi,

Nick discovered that the camera wasn't working at the book lockers and I opened a ticket with Luxor to see what they could tell me. This is what they said -

Hello Derek,

Thank you for contacting LuxerOne technical support.

I see that the camera is an older model that's no longer connecting to the WiFi network for the lockers. Due to the age of the camera and router, it would be best to upgrade them to newer models.

The parts and labor warranty for the lockers expired in March 2025. I can send an estimate over for the replacements. Please let me know if you have any questions.

Thanks,

I've attached the estimate of the replacement parts and it should also cover the cost of the technician who will come out and install them.

Derek

Notes

Terms and Conditions for Estimate on Parts and Services Nature of Estimates: All estimates provided are good-faith approximations of parts and services required to complete the repair and do not include applicable taxes or freight costs. Final charges may vary depending on actual conditions, additional diagnostics, or unforeseen requirements discovered during the repair process. Warranty Type and Status: Estimates are subject to verification of the applicable warranty type (Manufacturer, Signature, Legacy, or Lite Support) and the warranty Status (Active, Expired, or Void). Coverage may reduce or eliminate certain costs for parts, labor or service fees. Technical Service Charge Agreement : All estimates are further subject to the terms of the current Technical Service Charge Agreement between the customer and Luxer One. This agreement governs applicable labor charges, service fees, and minimal billable time. Parts Pricing: Parts are estimated based on current availability and pricing at the time of estimate preparation. Prices are subject to change due to supplier cost availability or substitutions of equivalent parts. Labor Charge: Labor costs are calculated based on the standard rates in effect at the time of estimate, as defined in the current technical service charge agreement. Additional labor may be required if further issues are discovered once repair begins. Exclusions: The estimate does not cover: Repairs required due to pre-existing damage not disclosed at the time of inspection. Work caused by misuse, negligence, vandalism, or acts of nature. Additional repairs requested by the customer after acceptance of the estimate Authorization: No work will be performed without customers' approval of the estimate. By authorizing the work, the customer agrees to be bound by these terms and conditions and acknowledges that the final invoice may differ from the initial estimate. Validity of Estimate: Estimates are valid for seven days from the date of issue unless otherwise stated. After this period, pricing and availability must be reconfirmed. Payment: Upon completion of work, a formal statement will be emailed to the property. Payment of services are due within seven days of work completion. Limitation of Liability: Luxer One is not liable for delays caused by parts availability, shipping, or circumstances beyond reasonable control. Liability is limited to the repair work performed and does not extend to incidentals or consequential damages.

How customer reviews and ratings work

Customers say

Customers love this Samsung TV's picture quality, with one noting its clarity even from side angles, and appreciate its excellent color with super dark blacks. They find it well worth the price and consider it stunning, with one mentioning its slim design looks great mounted on the wall. The sound quality receives positive feedback, and while the brightness is generally good, some customers report issues with the right side going dark. The connectivity receives mixed reviews, with one customer successfully connecting it to their Amazon Fire Cube and Recast devices via Cat6 through router.

Samsung does it again!

Reviewed in the United States on February 10, 2026

Really beautiful TV! The picture is vibrant and crisp with plenty of brightness. The sound is just fine, although it is being used in the master bedroom, so not a huge space. It was easy to connect and find the apps, as well. I am told that my brother (fairly savvy) was not able to "program the remote" properly? I don't really know what that means, but thought I would add it here. Perhaps it has something to do with the Direct TV side that they need it to work with? It may very well be a user issue, and I'm sure since it is new, Samsung customer service would be able to assist. But overall, Samsung always makes a good product!

Excellent picture and sound

I really like this TV. The picture is very clear, and the sound is excellent — I can hear it easily without needing extra speakers. The remote is a little small, but once I got used to it, I actually ended up liking it. Overall, this is a great TV and I'm very happy with it. Five stars.

QUOTE TERMS AND CONDITIONS

Unless you have a written master purchase agreement in effect with PC Connection, Inc., PC Connection Sales Corporation, MoreDirect, Inc., or GovConnection, Inc. (each doing business as Connection), that expressly governs this transaction, all orders are governed by Connection s Terms and Conditions of Sale available at: https://www.govconnection.com/content/about/legal/terms-and-conditions-sale (the Agreement), which are incorporated by reference as if fully set forth in this Quote.

Some products and services sold by Connection come with end user license agreements (EULAs) from the original manufacturer or service provider (OEM), as well as certain required reseller pass-through terms that Connection must provide or enforce. These terms may be shared with you either by the OEM or by Connection. For your convenience, applicable terms for certain products are available here: https://www.govconnection.com/content/about/legal/oem-cloud-software-mandatory-end-customer-notice . Please review this page to see whether any of the products you are purchasing are listed. These terms apply in addition to this Agreement or any applicable master purchase agreement.

Most license and subscription products renew automatically under OEM terms. You are responsible for timely cancellation as required by the OEM. Cancellation and refund rights are governed by OEM terms, and some products or services may be non-cancellable and non-refundable once ordered, activated, or renewed. You remain responsible for any non-cancellable or non-refundable charges.

By placing an order in response to this Quote or using the products or services described, you agree to the Agreement (if no master purchase agreement applies) and all OEM and pass-through terms. No signature is required. Any additional or different customer terms are rejected. If you do not agree, do not place an order or use the products or services.

Pricing and availability are subject to change prior to shipment (in the case of equipment) or delivery (in the case of software). Connection reserves the right, prior to shipment or delivery, to adjust pricing or cancel any order for any reason, including manufacturer price increases, allocation changes, tariffs, exchange rate fluctuations, supply constraints, or other factors beyond Connection s reasonable control. Orders are not binding until shipment or delivery.
