Re: Docket No. 17-10-46, Application Of The Connecticut Light And Power Company D/B/A Eversource Energy To Amend Rate Schedules – Compliance with April 18, 2018 Decision (Order No. 8)

Dear Mr. Gaudiosi:

The Connecticut Light and Power Company dba Eversource Energy (the "Company") submits this filing in compliance with Order 8 of the Public Utilities Regulatory Authority's ("PURA's) April 18, 2018 decision in this docket.

Order No. 8 states:

> No later than January 31, 2019, and annually thereafter, the Company shall submit annual filings demonstrating that it actually hired up to 33 incremental FTEs in 2018, 33 incremental FTEs in 2019 and 34 incremental FTEs in 2020. The Company shall include in each annual filing an exhibit illustrating FTE and Contractor Expense adjustments as depicted in Attachment 8 of the January 11, 2018 Settlement Agreement.

Attachment A to this compliance filing contains an exhibit that is consistent with Attachment 8 of the January 11, 2018 Settlement Agreement that was approved by PURA's final decision in this docket (the "Settlement Agreement"). Attachment A also demonstrates that the Company exceeded its goal of hiring 33 incremental FTEs in 2018 by successfully adding 57 net new hires in 2018. Consistent with the terms of the Settlement Agreement, the Company limited its incremental revenue requirement for the May 1, 2019 distribution rate change to reflect only the cost associated with 33 of the 57 new FTEs.[1] The calculated revenue requirement associated with these new FTEs, plus any applicable adjustments for gross earnings taxes and uncollectibles, will be incorporated into the May 1, 2019 update to base distribution rates authorized by Section 5 of the Settlement Agreement.

[1] Section 5(a)(iii) of the Settlement Agreement allows the cost of the additional 24 new FTEs hired in 2018 (in which 57 minus 33 =24) to be carried forward and recovered in rates at the time of the next subsequent step-adjustment to base distribution rates on May 1, 2020.

Attachment B to this compliance provides payroll reports for the two weeks ending December 1, 2018 while Attachment C to this compliance provides payroll reports for the two weeks ending December 15, 2018[2].

If you have any questions in connection with this compliance filing, please do not hesitate to contact the undersigned.

Sincerely,
Christopher R. Bernard
Christopher R. Bernard
Manager, Regulatory Policy & Strategy
On Behalf of CL&P dba Eversource Energy

Dkt No. 17-10-46 Compliance Order 8
29-Jan-19
Attachment A

Attachment A

FTE & Contractor Expense Adjustments under Settlement
Assumption - Baseline FTEs at 11/30/17 = 1,166 as per Settlement

2018 Actual FTEs

CL&P reflects net hires of 57

	FTEs	
12/31/2018	1,223	
11/30/2017	1,166	
Incremental FTEs	57	
Lesser of Actual Net Hires, or 33	33	
$/FTE per settlement	84	
	2,772	
Reduction to contractor expense per settlement	(168)	(a)
Net $ adjustment	2,604	

(a) Table 1 in settlement agreement reduces outside contractor expense at a rate of $5,090 per incremental CL&P FTE in 2018 ($168,000/33=$5,090); $14,909 per incremental CL&P FTE in 2019 ($492,000/33=$14,909); and $25,588 per incremental CL&P FTE in 2020 ($870,000/34=$25,588). (33 incremental CL&P FTEs in 2018 x $5,090= $167,970 decrease to contractor expense).

Re: Docket No. 17-10-46, Application Of The Connecticut Light And Power Company D/B/A Eversource Energy To Amend Rate Schedules – Compliance with April 18, 2018 Decision (Order No. 8)

Dear Mr. Gaudiosi:

On January 31, 2020, the Connecticut Light and Power Company dba Eversource Energy (the "Company") submitted its filing in compliance with Order 8 of the Public Utilities Regulatory Authority's ("PURA's) April 18, 2018 decision in this docket.

Order No. 8 states:

> No later than January 31, 2019, and annually thereafter, the Company shall submit annual filings demonstrating that it actually hired up to 33 incremental FTEs in 2018, 33 incremental FTEs in 2019 and 34 incremental FTEs in 2020. The Company shall include in each annual filing an exhibit illustrating FTE and Contractor Expense adjustments as depicted in Attachment 8 of the January 11, 2018 Settlement Agreement.

In this supplemental filing, the Company submits a corrected Attachment A, consistent with Attachment 8 of the January 11, 2018 Settlement Agreement that was approved by PURA's final decision in this docket (the "Settlement Agreement"). The corrected Attachment A is also consistent with its March 16, 2020 filing in compliance with Order 12 from the Settlement Agreement. The items in Attachment A that have been corrected is the net hire amount shown at the top of the schedule which has changed from 84 to 85, and the amount of expense associated with the incremental FTEs, which was lowered from $5,544,000 to $5,478,000. Also, the following additional information was added to Attachment A: the parenthetical at the end of footnote (a) has been expanded to include the calculation of the decrease to contractor expense for 2019, and a table detailing the additional FTE expense by year was also added.

If you have any questions in connection with this compliance filing, please do not hesitate to contact the undersigned.

Sincerely,
Christopher R. Bernard

Christopher R. Bernard
Manager, Regulatory Policy & Strategy
On Behalf of CL&P dba Eversource Energy

cc: Service List

Dkt No. 17-10-46 Compliance Order 8
Amended March 25, 2020
Attachment A

Attachment A

FTE & Contractor Expense Adjustments under Settlement
Assumption - Baseline FTEs at 11/30/17 = 1,166 as per Settlement

2019 Actual FTEs

CL&P reflects net hires of 85

	FTEs					
12/31/2019	1,251					
11/30/2017	1,166	Settlement $/Fte				
Incremental FTEs	85		12/31/2018	12/31/2019	12/31/2020	Total
Lesser of Actual Net Hires, or 66	66		33	33		66
$/FTE per settlement	83		84	82		83
	5,478		2,772	2,706		5,478
Reduction to contractor expense per settlement	(660) (a)					
Net $ adjustment	4,818					

(a) Table 1 in settlement agreement reduces outside contractor expense at a rate of $5,090 per incremental CL&P FTE in 2018 ($168,000/33=$5,090); $14,909 per incremental CL&P FTE in 2019 ($492,000/33=$14,909); and $25,588 per incremental CL&P FTE in 2020 ($870,000/34=$25,588). (33 incremental CL&P FTEs in 2018 x $5,090= $167,970 decrease to contractor expense + 33 incremental CL&P FTEs in 2019 x $14,909 = $491,997 decrease to contractor expense).

Re: Docket No. 17-10-46, Application Of The Connecticut Light And Power Company dba Eversource Energy To Amend Rate Schedules – Compliance with April 18, 2018 Decision (Order No. 8)

Dear Mr. Gaudiosi:

The Connecticut Light and Power Company dba Eversource Energy (the "Company") submits this filing in compliance with Order 8 of the Public Utilities Regulatory Authority's ("PURA's) April 18, 2018 decision in this docket.

Order No. 8 states:

> No later than January 31, 2019, and annually thereafter, the Company shall submit annual filings demonstrating that it actually hired up to 33 incremental FTEs in 2018, 33 incremental FTEs in 2019 and 34 incremental FTEs in 2020. The Company shall include in each annual filing an exhibit illustrating FTE and Contractor Expense adjustments as depicted in Attachment 8 of the January 11, 2018 Settlement Agreement.

Attachment A to this compliance filing contains an exhibit that is consistent with Attachment 8 of the January 11, 2018 Settlement Agreement that was approved by PURA's final decision in this docket (the "Settlement Agreement"). Attachment A also demonstrates that the Company exceeded its goal of hiring 100 incremental FTEs in 2018, 2019, and 2020 by successfully adding 123 net new hires. Consistent with the terms of the Settlement Agreement, the Company will limit its incremental revenue requirement for the May 1, 2021 distribution rate change to reflect only the cost associated with 100 of the 123 new FTEs. The calculated revenue requirement associated with these new FTEs, plus any applicable adjustments for gross earnings taxes and uncollectibles, will be incorporated into the May 1, 2021 update to base distribution rates authorized by Section 5 of the Settlement Agreement.

Attachment B to this compliance provides payroll reports for the month ending November 30, 2020 while Attachment C to this compliance provides payroll reports for the month ending December 31, 2020[1].

If you have any questions in connection with this compliance filing, please do not hesitate to contact the undersigned.

Sincerely,
Christopher R. Bernard
Christopher R. Bernard

[1] In order to protect the privacy rights of employees, the names of individual employees are not shown in Attachments B and C hereto, but each employee's unique "Employee ID" number, their Line of Business, and their Business Unit is shown.

Attachment A

FTE & Contractor Expense Adjustments under Settlement

Assumption - Baseline FTEs at 11/30/17 = 1,166 as per Settlement

2020 Actual FTEs

CL&P reflects net hires of 123

	FTEs	Settlement $/FTE			
		12/31/2018	12/31/2019	12/31/2020	Total
12/31/2020	1,289				
11/30/2017	1,166				
Incremental FTEs	123				
Lesser of Actual Net Hires, or 100	100	33	33	34	100
$/FTE per settlement	84	84	82	87	84
	8,436	2,772	2,706	2,958	8,436
Reduction to contractor expense per settlement	(1,530) (a)				
Net $ adjustment	6,906				

(a) Table 1 in settlement agreement reduces outside contractor expense at a rate of $5,090 per incremental CL&P FTE in 2018 ($168,000/33=$5,090); $14,909 per incremental CL&P FTE in 2019 ($492,000/33=$14,909); and $25,588 per incremental CL&P FTE in 2020 ($870,000/34=$25,588). (33 incremental CL&P FTEs in 2018 x $5,090= $167,970 decrease to contractor expense + 33 incremental CL&P FTEs in 2019 x $14,909 = $491,997 decrease to contractor expense + 34 incremental CL&P FTE's in 2020 x $25,588 = $869,992 decrease to contractor expense)
