Public Educational and Governmental Programming and Education Technology Investment Account (PEGPETIA) Grant Program Application & Itemized Budget

Instructions for Filing a Motion to Apply for a PEGPETIA Grant

Motion Deadline

The Public Utilities Regulatory Authority (Authority or PURA) oversees a program to award Public Educational and Governmental Programming Grants (PEG Grants) and Education Technology Investment Grants (ETI Grants) to eligible entities. See General Statutes § 16-331cc. **This PEGPETIA Grant Program Application must be filed as a motion in Docket No. 26-10-02 no later than noon on November 20, 2026.**

Program Funding Eligibility

PEG grant funding is intended to improve public, educational, and governmental access programming in Connecticut, and funds should be used for capital and equipment costs that aid the production or procurement of public, educational, and governmental programs. To ensure the funding is used appropriately, after completion of the project, PEG grant recipients must file a report of the project enabled by the grant funds.

ETI grant funding is intended to support education technology initiatives of boards of education and other education entities (public and private schools are eligible to apply). To ensure the funding is used appropriately, after completion of the project, ETI grant recipients must file a report of the project enabled by the grant funds.

Submission of Motion

Applicants must complete and file the Application with Itemized Budget electronically to PURA as a motion in Docket No. 26-10-02, at https://portal.ct.gov/pura/about/filing-and-forms/make-an-electronic-filing. Applicants who have not previously registered must first register for an account.

Motions must include an Application and Itemized Budget for the projects to be funded by the grant. Quotes, invoices, or similar documentation must be submitted for each item to be purchased with grant funds.

The motion will be assigned a unique motion number after it is filed. The allowable electronic filing size is 20 MB. If the motion's attachments (Application with Itemized Budget plus other attachments) exceed the allowable limit, the motion may include only the completed Application with Itemized Budget, and the remaining attachments must be filed as supplemental filings to the same motion. Subsequent supplements must also be filed as supplemental filings under the assigned motion number.

Questions regarding the electronic filing of the motion and supplements should be directed to Docket Control at PURA.ExecutiveSecretary.gov or (860) 827-2836.

III. Investment or Initiative Eligibility

12. Provide a description of proposed capital and equipment investment or education technology initiative. State expected enhancements to PEG programming or education technology. If applicable, state why similar equipment is not available from the local community access studio (PEG only).

This grant would provide PEG Operator equipment used in Granby. This inlcudes sound mixing and connection equipment, PTZ cameras, and connecting cables essential to our senior center and town hall broadcasting stations.

This audio equipment will be used to produce materials and provide coverage for a wide variety of municipal meetings, projects and events, improving communications, live event coverage, recording and broadcasting capabilities for local government related content.

13. Identify the affected geographical area(s) and/or school system(s) that will benefit from the investment or initiative:

Unfortunately Spectrum Communications does not share subscriber numbers with Granby. In addition to Spectrum cable Granby broadcasts both LIVE and recorded programming on the Internet. Anyone who has Internet access can view the programming.

Granby's primary target audience is approximately 12,000+ residents.

---

17. Description of organization, including experience and competence related to the proposed project:

In collaboration with GCTV Granby has been broadcasting municipal meetings and content 24/7/365 on Spectrum channel 16 . Programming can also be viewed online at www.gctv16.org Tri-Town Government Access Cable Committee (Tri-Town Cable) is an entity formed by the local municipal governments of Granby, East Granby and Hartland to manage public funds for the support of the operational costs of Granby Community Television (GCTV). Granby Community Television Inc. (GCTV) is a single channel PEG (Public Access, Educational, and Government) television station. Located in Granby, CT. It serves the towns of Granby, East Granby and Hartland. GCTV receives no funding from its cable franchise, Spectrum. Granby, East Granby and Hartland Spectrum cable subscribers pay a portion of their bill each month to fund Public Access services. Granby gets none of this funding. These PEGPETIA grants are essential, allowing Granby to upgrade its broadcasting equipment.
