Public Educational and Governmental Programming and Education Technology Investment Account (PEGPETIA) Grant Program Application & Itemized Budget

Instructions for Filing a Motion to Apply for a PEGPETIA Grant

Motion Deadline

The Public Utilities Regulatory Authority (Authority or PURA) oversees a program to award Public Educational and Governmental Programming Grants (PEG Grants) and Education Technology Investment Grants (ETI Grants) to eligible entities. See General Statutes § 16-331cc. **This PEGPETIA Grant Program Application must be filed as a motion in Docket No. 26-10-02 no later than noon on November 20, 2026.**

Program Funding Eligibility

PEG grant funding is intended to improve public, educational, and governmental access programming in Connecticut, and funds should be used for capital and equipment costs that aid the production or procurement of public, educational, and governmental programs. To ensure the funding is used appropriately, after completion of the project, PEG grant recipients must file a report of the project enabled by the grant funds.

ETI grant funding is intended to support education technology initiatives of boards of education and other education entities (public and private schools are eligible to apply). To ensure the funding is used appropriately, after completion of the project, ETI grant recipients must file a report of the project enabled by the grant funds.

Submission of Motion

Applicants must complete and file the Application with Itemized Budget electronically to PURA as a motion in Docket No. 26-10-02, at https://portal.ct.gov/pura/about/filing-and-forms/make-an-electronic-filing. Applicants who have not previously registered must first register for an account.

Motions must include an Application and Itemized Budget for the projects to be funded by the grant. Quotes, invoices, or similar documentation must be submitted for each item to be purchased with grant funds.

The motion will be assigned a unique motion number after it is filed. The allowable electronic filing size is 20 MB. If the motion's attachments (Application with Itemized Budget plus other attachments) exceed the allowable limit, the motion may include only the completed Application with Itemized Budget, and the remaining attachments must be filed as supplemental filings to the same motion. Subsequent supplements must also be filed as supplemental filings under the assigned motion number.

Questions regarding the electronic filing of the motion and supplements should be directed to Docket Control at PURA.ExecutiveSecretary.gov or (860) 827-2836.
