Re: Docket No. 26-05-10 – Application of CL&P d/b/a Eversource Energy to Amend its Rate Schedules

Dear Attorneys Pace and Tisler:

On June 25, 2026, The Connecticut Light and Power Company d/b/a Eversource Energy (Company or CL&P) submitted a motion (Motion No. 7) to the Public Utilities Regulatory Authority (Authority or PURA), requesting that the Authority "confirm[] the waiver of any applicable paper filing requirement for CL&P's upcoming rate case filing and subsequent procedural events such as rebuttal testimony." Motion No. 7, p. 1. The Company states that section 2.3 of PURA's standard filing requirements (SFRs) and Conn. Agencies Regs. § 16-1-14(g)(4) require the submission of paper copies; however, PURA's "Make An Electronic Filing" webpage states "[e]ffective March 2020, PURA is no longer requiring paper copies of documents filed electronically through the Web Filing System." Id., pp. 1–2. In addition, the Company states that both the Office of Consumer Counsel and PURA's Office of Education, Outreach, and Enforcement confirmed they do not require paper copies. Id., p. 2; see Hr'g Tr., June 16, 2026, 31:24–32:4, 32:5–6.

The Authority agrees that paper copies of the Company's rate case filings are not necessary at this time. However, the Authority, parties, and intervenors retain the right to request paper copies of any rate case filings as deemed necessary during the course of the proceeding. If the Authority, a party, or an intervenor requests paper copies of a rate

case filing, the Company shall provide the paper copies no later than one week after the request is made. Accordingly, the Authority grants Motion No. 7, with modification.[1]

Thomas H. Wiehl
