# Newtown Public Schools - Interactive Displays

# Preliminary Proposal

### Scope Of Work

- Due to ongoing global trade conditions, including the potential for new or existing tariffs, the prices and lead times in this quote are subject to change. Tariffs and supply chain disruptions may affect the cost and availability of components. We reserve the right to adjust pricing and delivery schedules accordingly, but will do our best to mitigate and offset the impact to our clients as best as possible.**

### Viewsonic ViewBoard 86" Interactive Display with WiFi Adapter

The ViewSonic® ViewBoard® IFP8641 interactive display delivers the right balance of features, performance, and value for today's classrooms and meeting spaces. This 75-inch touchscreen is designed to feel premium and intuitive, making it easy for educators and teams to get up and running with minimal setup. Powered by the latest Android™ platform with EDLA certification, it provides secure, built-in access to Google Workspace, Microsoft 365, and familiar apps. Everything works right away, so users can focus on sharing ideas instead of troubleshooting technology.

One-cable USB-C simplifies connectivity, while powerful built-in audio ensures everyone can hear and be heard. Energy-efficient features help reduce power consumption over time, making the IFP8641 a smart, future-ready choice that's easy to deploy, easy to use, and easy on budgets.
