Re: Docket No. 26-05-10 – Application of The Connecticut Light and Power Company d/b/a Eversource Energy to Amend its Rate Schedules

Dear Attorney Pace:

Enclosed are interrogatories numbered **UPA-62 through UPA-64** directed to The Connecticut Light and Power Company d/b/a Eversource Energy (Company) and refer to the Company's request to amend its rate schedules.

The responses to these questions have been deemed necessary by the Public Utilities Regulatory Authority (Authority) in connection with the above-referenced docket and will become a part of the record in this proceeding. Please note that persons responsible for responses must be available for cross-examination during a hearing, if held, and must attest to the truth and accuracy of their responses.

Please submit the responses to the Authority's Executive Secretary no later than **October 16, 2026, at 4:00 p.m.** The Authority encourages the submission of responses as soon as they are available rather than delaying until all answers are completed. **Please list each question and answer on the same sheet of paper using a separate sheet for each interrogatory number, and sequentially number the pages of each response (e.g., p. 1 of 5, etc.). At the top of each page, clearly identify the Docket Number, the interrogatory number (including the prefix), the name of the company and the person responsible for the response, and the date of submission.**

Similarly, each Late Filed Exhibit that may be submitted after hearing in this docket shall be sequentially numbered and identified with the Docket Number, Late Filed Exhibit Number, page number, the name of the company and the person responsible for the exhibit, and the date of submission.

If a response to any of the requested information has already been filed in response to another Parties' interrogatory(ies) in this proceeding, please reference the interrogatory which provides the information. It is the respondent's responsibility to ensure that any such information is on file with the Executive Secretary of the Authority.

ELECTRONIC SUBMISSION OF FILINGS

IMPORTANT NOTE: The Authority has indefinitely suspended the paper copy filing requirement. Anyone filing material with the Authority should file only an electronic copy through the PURA Web Filing System. Please refer to the Electronic Filing webpage for more information, including on confidential materials: Make An Electronic Filing

CONFIDENTIAL DOCUMENTS

No confidential material may be filed publicly through the web filing system. Confidential material can be filed electronically by emailing the material to Jeff.Gaudiosi@ct.gov with a subject line labeled in all capital letters "CONFIDENTIAL MATERIAL - NOT FOR PUBLIC DISCLOSURE." Each page of any electronic confidential information shall also contain a header "CONFIDENTIAL – NOT FOR PUBLIC DISCLOSURE." The motion for a protective order shall be filed electronically.

The Authority operates with the strong presumption that all documents filed with it are public records subject to the right of public inspection and copying in accordance with the Connecticut Freedom of Information Act, Conn. Gen. Stat. §1-200 et. seq. In those exceptional circumstances where a participant believes that information it intends to file is confidential under law, it may file a Motion for a Protective Order requesting an exemption from public disclosure. The Motion must provide specific legal arguments with reference to state or federal law describing with supporting facts why the information should be kept confidential. A certified affidavit supplied by a competent witness in support of the Motion must be appended to the Motion. The Authority will rule on the Motion forthwith, and it will give further direction as necessary.

The current service list for this docket is available on the Authority's website located at http://www.dpuc.state.ct.us/DPUCPublicList.NSF.

DOCKET NO. 26-05-10
APPLICATION OF THE CONNECTICUT LIGHT AND POWER COMPANY D/B/A EVERSOURCE ENERGY TO AMEND ITS RATE SCHEDULES

Interrogatories UPA-062 through UPA-064 are directed to The Connecticut Light and Power Company (CL&P or Company) and refer to the Company's request to amend its rate schedules (Application).

UPA-062 (OM&A PFP AND X-FACTOR) Exhibit CLP-PBR-1, p. 32. The Company states that using a 20-year window to calculate the Total Factor Productivity (TFP) is both appropriate and the most conservative option among various timeframes, such as 10 years and 15 years, in relation to industry growth. However, the Company does not recommend using a TFP and instead recommends using a Partial Factor Productivity (PFP). Describe the impact of various potential timeframes for the PFP, including what timeframes are appropriate and what the most conservative timeframe for a PFP is.

UPA-063 (OM&A PFP AND X-FACTOR) Exhibit CLP-PBR-2, p. 43. The Company states the average capital-to-operations split is 46% to 54%. Describe the significance of this split on the TFP, including its effect on both the Company and ratepayers. In addition, discuss how the Company and ratepayers would be affected if it was a 50/50 split.

UPA-064 (OM&A PFP AND X-FACTOR) Exhibit CLP-PBR-2, pp. 73-74, Fig. 45. The Company provides a narrative describing the Northeast Region X-Factor results. Explain why the narrative states certain values that appear to be different from the values in Figure 45. For example, the narrative states "over the 2010–2024 period, the Northeast X-Factor was -3.29%," but Figure 45 provides an X-Factor for the 2010-2024 period of –2.76%.
