Question:

(MS24E) Please refer to Exhibit ACCT-2(CLP-5A-03)(MS24E), p. 91-93. Please clarify if this crew performed any work or was stationed at the "Darien Yard" the entire time.

Response:

The individual referred to in Exhibit ACCT-2(CLP-5A-03)(MS24E), pages 91-93, is providing contractor tree crew supervision and dispatching to support storm restoration. The contractor's supervisory personnel do not maintain records of specific crew dispatch locations during storm events because they are not personally responding to each work site. Their role is to supervise tree crew operations and dispatch the tree crews performing the work to locations identified through the Company's restoration process.
