The Connecticut Light and Power Company
Catastrophic Storm Recoveries
Years 2016 through 2026
(Thousands of Dollars)

Docket No.	**17-10-46**	**18-11-12**	**24-03-30/25-12-13**
Excess Costs Requested	$ 17,642	$ 144,344 (a)	$ 896,087 (c)
Prudent Amounts	$ 17,642	$ 144,153 (b)	$ 861,479
Percentage Recovered	100.00%	99.87%	96.14%

(a) This amount has been adjusted to account for the removal of an invoice as agreed to by the Company, and to account for the application of funds moved from the pre-staging event reserve.
(b) This amount has been adjusted to account for $3.127 million of costs that were capitalized.
(c) This amount has been adjusted to remove Revenew costs that are subject to a future prudence review.

Note: Amounts shown above may not add due to rounding.
