RE: Docket No. 26-05-10, Application of Connecticut Light and Power Company d/b/a Eversource Energy for Changes in Electric Distribution Rates

Dear Commissioners:

The Town of Vernon and its Town Council, joined by more than 5,000 Connecticut residents who signed the attached petition, urge you to reject Eversource's rate increase request.

Connecticut's electric rates keep climbing and we all need a break.

Local taxpayers face a double hit from this enormous increase. First, they will pay it for their homes and businesses. Second, they will experience tax increases as public schools, fire stations, police stations, wastewater treatment plants and other municipal buildings and facilities will be forced to pay higher electric rates.

We thank you for your work on this important matter.

Sincerely,

Daniel A. Champagne
Mayor
