APPLICATION OF THE CONNECTICUT LIGHT AND POWER COMPANY d/b/a EVERSOURCE ENERGY TO AMEND ITS RATE SCHEDULES	:	**DOCKET NO. 26-05-10**
		November 18, 2026

AFFIDAVIT OF CASANDRA DICKSON

Casandra Dickson, being duly sworn, states:

1. I am the Director of Regulatory Projects and Compliance for Eversource Energy Service Company ("ESC") for the Connecticut electric and gas utility companies, including the Connecticut Light and Power Company d/b/a Eversource Energy (the "Company" or "CL&P"). My business address is 247 Station Drive Westwood, MA 02090. I am over the age of eighteen years and understand the obligations of making statements under oath.

2. I am familiar with Docket No. 26-05-10, Application of The Connecticut Light and Power Company d/b/a Eversource Energy to Amend its Rate Schedules, including information provided by the Company as a supplement in support of its rate case application on November 18, 2026. The confidential information addressed in this motion includes certain information provided in the following supplemental exhibit to the Company's initial filing:

Exhibit	Content	Date Redacted Version Filed	Date Confidential Version Submitted
CLP-ADDITIONS-6 Third Supplemental	Capital Project Documentation	Anticipated December 7, 2026	November 18, 2026

3. I submit this affidavit in support of a Motion for Protective Order by the Company, filed contemporaneously herewith, requesting a ruling from the Public Utilities Regulatory Authority ("PURA") that Exhibit CLP-ADDITIONS-6 Third Supplemental is subject to confidential treatment.

4. Exhibit CLP-ADDITIONS-6 Third Supplemental contains specific customer identifying information. The Company does not disclose customer information, including customer names, account numbers, or financial information of customers, to the public. Public disclosure of the Company's customer information would harm its customers' privacy interests.

5. Exhibit CLP-ADDITIONS-6 Third Supplemental contains names and contact information for individual Eversource employees. The Company attempts to prevent public disclosure of this information due to security and financial risks in having this contact information publicly known, especially as may be related to computer security, phishing, social engineering, and other targeted scams and malfeasance involving fraudulent activities and communications.

6. Exhibit CLP-ADDITIONS-6 Third Supplemental also contains specific condition assessments and siting of the Company's electric distribution system and other facilities. The information provided in these exhibits includes photographs, diagrams, surveys, and other information evaluating the condition and risks present at these locations. If disclosed, this information would create a system security risk and provide bad actors with detailed information relating to the Company's infrastructure and jeopardize operation of the Company's system.

7. To the best of my knowledge, reasonable efforts have been used to keep and maintain this information as confidential; and to the best of my knowledge this information has not been disclosed or released to the public.

8. I have been advised by the Companies' legal counsel that neither federal nor Connecticut statutes requires this confidential information to be filed in the public record.
