Question:

(FUEL PROVIDERS) Identify if the Company pursued competitive bids in support of its engagement of Fuel providers. If pursued, provide documentation demonstrating the Request for Proposal (RFP) and the overall results. If not pursued, explain why.

Response:

For the purposes of this response, the Company has assumed that "fuel providers" refers to providers of scheduled onsite diesel fueling for the Company's fleet vehicles and emergency fueling services at Eversource locations. These services support the continued operation of fleet vehicles, including during storm events and other emergencies.

The Company pursued a competitive bid for these services, and the details of that bid are provided in EOE-271, Attachment 1, CONFIDENTIAL.
