STATE OF CONNECTICUT
PUBLIC UTILITIES REGULATORY AUTHORITY

APPLICATION OF THE CONNECTICUT LIGHT AND POWER COMPANY D/B/A EVERSOURCE ENERGY TO AMEND ITS RATE SCHEDULES	:	**DOCKET NO. 26-05-10**
	:	**SEPTEMBER 22, 2026**

INTERROGATORIES OF ALLCO FINANCE LIMITED TO THE CONNECTICUT LIGHT AND POWER COMPANY D/B/A EVERSOURCE ENERGY — SET TEN

Pursuant to the Authority's August 19, 2026 ruling granting Allco Finance Limited ("Allco") intervenor status, and in accordance with the Authority's Rules of Practice, Regs. Conn. State Agencies § 16-1-1 et seq., Allco propounds the following interrogatories — numbered consecutively with Allco's Sets One through Nine (Q-ALLCO-001 through Q-ALLCO-115) — to The Connecticut Light and Power Company d/b/a Eversource Energy ("Eversource" or the "Company"). The Company's response to OCC-309 identifies fees payable to the Law Offices of Alexander G. Snyder LLC of $426,806 (2021); $376,048 (2022); $643,913 (2023); $882,201 (2024); and $1,632,968 (2025) — $3,961,936 in the aggregate, with the annual amount more than quadrupling between 2022 and 2025. Attachment 1 hereto lists the cases identified on the Connecticut Judicial Branch website in which that firm has appeared for the Company. These interrogatories concern the reasonableness, rate treatment, and results of that litigation spending. The definitions and instructions set forth in Allco's Set One apply. Please answer separately and fully in writing, identify the witness responsible, and provide responsive schedules in native (Excel) format with formulas intact.

INTERROGATORIES

Q-ALLCO-116: For each case listed in Attachment 1 hereto, state, in a single native-format (Excel) schedule keyed to the docket number: (a) the amount claimed by the Company in the action; (b) the amount of any final judgment entered against the defendant; (c) the amount actually collected from the defendant in respect of the amount claimed; (d) whether the case is completed or ongoing, and, if completed, the manner and date of disposition; and (e) the legal fees paid by the Company in connection with the case, to the Law Offices of Alexander G. Snyder LLC or any other firm. If the Company contends that any case listed in Attachment 1 was not handled by that firm on the Company's behalf, identify each such case and state the basis for that contention.

Q-ALLCO-117: With respect to the fees identified in the response to OCC-309 for the Law Offices of Alexander G. Snyder LLC: (a) reconcile the aggregate per-case fees provided in response to the preceding interrogatory to the annual amounts stated in OCC-309, identifying any fees not attributable to a case listed in Attachment 1 and the matters to which they relate; (b) identify the FERC account(s) in which those fees are recorded and state whether, and in what amount, they are included in the Test Year or Rate Year cost of service in this proceeding, identifying the schedule and line; (c) state whether amounts collected through these actions — including any court-awarded fees, costs, or interest — are credited to ratepayers, and if so where, and if not, why not, including the interaction with the uncollectible-accounts expense recovered in rates; and (d) describe the terms of the firm's engagement (hourly rates, flat fees, contingency, or other), state whether the engagement has ever been competitively procured, and produce the engagement agreement(s).

Q-ALLCO-118: For each calendar year 2021 through 2025, state in the aggregate for the litigation described in Attachment 1: the number of new actions commenced; the total amounts claimed; the total judgments obtained; the total amounts actually collected; and the total legal fees paid. State whether the Company has ever analyzed the cost-effectiveness of this collections litigation — comparing fees paid to amounts recovered — and identify and produce each such analysis, or state affirmatively that none exists. Identify, by title, each person who supervises the engagement, approves its invoices, and decides whether to commence or continue individual actions, and explain the drivers of the increase in annual fees from $376,048 in 2022 to $1,632,968 in 2025, including any change in the volume of referrals, scope of work, or rates.

Please serve responses on the undersigned by electronic mail by October 6, 2026.
