APPLICATION OF THE CONNECTICUT LIGHT AND POWER COMPANY d/b/a EVERSOURCE ENERGY TO AMEND ITS RATE SCHEDULES	:	**DOCKET NO. 26-05-10**
		NOVEMBER 6, 2026

AFFIDAVIT OF CASANDRA DICKSON

Casandra Dickson, being duly sworn, states:

1. I am the Director of Regulatory Projects and Compliance for Eversource Energy Service Company ("ESC") for the Connecticut electric and gas utility companies, including the Connecticut Light and Power Company d/b/a Eversource Energy (the "Company" or "CL&P"). My business address is 247 Station Drive Westwood, MA 02090. I am over the age of eighteen years and understand the obligations of making statements under oath.

2. I am familiar with Docket No. 26-05-10, Application of The Connecticut Light and Power Company d/b/a Eversource Energy to Amend its Rate Schedules, including information provided by the Company in response to certain interrogatories issued by the Office of Consumer Counsel (the "OCC") on October 19, 2026 ("OCC Set 29"), and by Allco Finance Limited ("Allco") October 13, 2026, and October 19, 2026 ("ALLCO Sets 13 and 16"). The confidential information addressed in this motion includes information provided by the Company in the following attachments to interrogatories in OCC Set 29, ALLCO Set 13, and ALLCO Set 16:

Interrogatory Number	Attachment Name	Redacted Filing Date	Confidential Filing Date
ALLCO-186	Attachment 1 CONFIDENTIAL	November 5, 2026	November 5, 2026
ALLCO-215	Attachment 1 CONFIDENTIAL	November 5, 2026	November 5, 2026
OCC-977	Attachment 1 CONFIDENTIAL	November 2, 2026	November 2, 2026
OCC-978	Attachment 1 CONFIDENTIAL through Attachment 3 CONFIDENTIAL	November 5, 2026	November 5, 2026
OCC-980	Attachment 1 CONFIDENTIAL through Attachment 12 CONFIDENTIAL	N/A – Filed as Confidential Only	October 28, 2026

Together, these documents are referred to herein as the "Confidential Information." The Confidential Information was submitted to PURA via email on October 28, 2026, November 2, 2026, and November 5, 2026. The last response to OCC Set 29 was filed with PURA on November 5, 2026. The last response to ALLCO Set 13 was filed with PURA on November 5, 2026. The last response to ALLCO Set 16 was filed with PURA on November 5, 2026.

3. I submit this affidavit in support of a Motion for Protective Treatment by the Company, filed contemporaneously herewith, requesting a ruling from the Public Utilities Regulatory Authority ("PURA") that the Confidential Information be granted confidential treatment.

4. OCC-980, Attachments 1 through 12 CONFIDENTIAL, are call recordings that contain specific customer account information and customer identifying information, including customer names, account numbers, as well as financial information relating to specific customers and adjustments made to their bills. The Company does not disclose customer information, including customer calls, account numbers, or financial information of customers to the public.

Any public disclosure of the Company's customer information would harm its customers' privacy interests.

5. OCC-977, Attachment 1 CONFIDENTIAL, OCC-978, Attachments 1 through 3 CONFIDENTIAL, and ALLCO-186, Attachment 1 CONFIDENTIAL, contain names and contact information for individual Eversource employees. Employee names and contact information should be protected from public disclosure. If the Company makes employee information public, there are both cybersecurity and physical security risks to individual Eversource employees. Making employee information public triggers an increased risk in phishing attacks as there is more information available about Eversource employees, centralized and publicly available. Additionally, there is a risk of personal harassment for individual employees.

6. ALLCO-215, Attachment 1 CONFIDENTIAL, contains non-public financial projections, the disclosure of which would harm the Company and provide non-public financial projections to the public at large. Public disclosure of this material would reveal strategic and competitive information that would be prejudicial and cause harm to the Company. Any public disclosure of such information would be detrimental to the business interests of the Company in their service to customers, and would allow unfair access to material, confidential, non-public financial information. These non-public financial projections, and the basis for these data and projections, are considered proprietary, commercially sensitive, and strategic non-public business information. In addition, such material could be misused or improperly relied upon by persons making investment decisions, thereby exposing the Company to potential claims and litigation if financial projections intended for private use differs from actual financial performance.

7. To the best of my knowledge, reasonable efforts have been used to keep and maintain this information as confidential; and to the best of my knowledge this information has not been disclosed or released to the public.

8. I have been advised by the Companies' legal counsel that neither federal nor Connecticut statutes requires this confidential information to be filed in the public record.
