Subject: Docket No. 26-05-10

Hi,

My name is Carolyn Strock and I live at 38 Forbell Dr, Norwalk, CT 06850. I'm writing in regards to Docket No. 26-05-10. I would like to express my disapproval towards these proposed changes. I would rather keep rates the same or lower as opposed to investing in a stronger, smarter, more resilient electric system.
