Compliance Assurance Process (CAP) Full Acceptance Letter

Why you're receiving this letter
We have completed the pre-file review of the tax year shown above.

The material issues that were resolved by factual clarification, issue resolution agreement, or closing agreement before the tax return was filed are listed in the attached list of resolved issues.

What to expect next
This letter confirms that, once we complete our post-filing review of the tax return, we will accept it as filed if your return is consistent with the resolved issues and we don't find undisclosed material issues and correlative adjustments during our post-filing review.

If you have any questions, you can call the contact person at the number shown above.

Sincerely,

Olga Trindade
